Also Melinda Gates is a director of the Washington Post, owned by Bezos! They’re working together to steal wealth from 330 million Americans by wrecking businesses and by bribery and bogus “medical” declarations using government to force vaccine acceptance! Ruining millions and dealing death is OK to The Superior Ones!

Lockdowns are for wealth seizure & increase in Tyranny---not for “public health and safety.”

BRUTALITARIAN PHARMA DICTATORSHIP APPROACHING!

Forward to all autism, anti-lockdown and vaccine questioning groups nationwide. I have nothing to sell, this research is free in the public
interest. The shutdowns are about the 1% stealing more wealth, and about treating the 99% as serfs---health concerns are only the veneer shown as excuse! The Pilgrims Society is the 1% of the 1% and ties America to Old World tyranny of the English Royal family! The Pope of Rome is an also-ran on the world stage since AD 1588 when the Spanish Armada attempt to invade England was smashed! The British Empire (“Commonwealth”) is Anglican--not Catholic! As far back as AD 1086 King William the Conqueror wrote to Pope Victor III telling him that England had “no allegiance to the Church of Rome.”

What is the stance of Catholics, a very large religious faction in America, on vaccines? Their leaders unfortunately are fence straddlers! At https://mycatholicdoctor.com/our-services/vaccines/ we find---

“It is not necessary to use new aborted fetal tissue to continue to manufacture existing vaccines. Unfortunately, new cell lines derived from fetal tissues are still being developed and used for
new vaccines and pharmaceuticals, including some COVID-19 vaccines. The 2005 document implores all of us to “oppose by all means (in writing, through the various associations, mass media, etc.) the vaccines which do not yet have morally acceptable alternatives, creating pressure so that alternative vaccines are prepared, which are not connected with the abortion of a human fetus, and requesting legal control of the pharmaceutical industry producers.”

“Legal control of the pharmaceutical industry producers” is murky; do they mean the public should get government control over Pharma? Technically we have this “control;” in reality we don’t. You don’t request anything from Pharma and government---what you want can be had only by court rulings or election of people refusing bribe influence!

Mike Adams! “Health Ranger!” Are you going to link this documentary to your site if your devotees ask you to? If you decline to link it---why?? It isn’t competing with anything you’re selling! On May 2, 2020, received from Texans for Vaccine Choice---
“Thank you for the extremely informative info you shared with us.” (Referencing very brief intro items to the June 2020 presentations).

With this two-part series the reader who does not “skim over” the contents but carefully reads it, finally gets a tour of the “penetralia” (innermost recesses) and the “primum mobile” (mainspring) of the compulsory vaccine movement! It’s the English Royal family and its Pilgrims Society network of wealthy old-line eugenicists! America is still a British Crown colony!

There are many aspects of this vaccine menace. Don’t ask me “why didn’t you mention thus and such” the main thing is I’m
showing Info NO ONE ELSE IS, documenting The Pilgrims Society stands at the top of the vaccine pyramid! There is no need for me to hammer over territory so thoroughly covered by many others; these offerings are largely unique information to date unknown by the community of vaccine questioners! Mike Adams can’t tell you what he doesn’t know! If it becomes necessary to disregard your cherished leaders to get this information out, then start disregarding them! Not getting the “scoop” on this aspect is no basis to suppress it!

“The Pilgrims Society is a massively influential Anglo-American grouping of the Global Elite that remains unknown to the general public yet has members who number some of the most powerful men and women for the last 100 years. If you look at the small print of major historical events Pilgrims show up with alarming frequency unlike any other organization in the world. It seems the U.S. Monetary system itself is crawling with Pilgrims.”

Wealth represented in The Pilgrims Society traces to royalty all over Europe and England going back centuries; to the Dutch West India Company and the British East India Company; enormous land grants in Dutch and British colonial times; to the First and Second United States Banks---to the Panics of 1837, 1857, 1873, 1893 and 1907; to the British opium “trade” across China, into which select Americans loyal to England were allowed entry (Delano, Astor, Forbes, Russell); the fur trade; to the conflict supply profiteers of the Civil War; to the old slave trade; to the 1800s “Robber Barons” in gold; silver; iron; copper; smelting; coal mining; railroads; land; cattle empires; timber; rubber, cotton, coffee and sugar
plantations; agricultural holding concentrations; oceanic shipping, steam ships and ship building; large tunnel, bridge and dam construction projects; banking, insurance; seizure of huge lands and mineral and water rights from native tribes; gun and armaments manufacture; petroleum; chemicals; tobacco; whaling; steam power; electric power; silk and textiles; South African diamond, gold and platinum mining; skyscrapers; the rise of the publishing business and many other industries!

From page 5129 of the Congressional Record (House version), volume 86, part 17, dated August 20, 1940, statements of John J. Whiteford, author of the privately published “Sir Uncle Sam, Knight of the British Empire,” read in House proceedings by Montana Congressman Jacob Thorkelson---

“There are several curious things about these Pilgrim functions. In the first place there is present at these dinners AN ARRAY OF NOTABLES such as would be difficult to bring together under one roof FOR ANY OTHER PURPOSE AND BY ANY OTHER SOCIETY.”

Thorkelson was vilified as a Nazi sympathizer due to his opposition to America fighting another World War for the BRITISH EMPIRE! Pilgrims Society notables far surpass Bilderberg notables; there is some overlap, with Pilgrims members often appearing as Bilderberg steering committee members, guiding the decidedly inferior but much hyped and ballyhooed organization. Bilderberg has had so many flunkies in attendance like the mayor of
Atlanta Georgia---transitory politicians without lasting power.

These major world events caused by Pilgrims Society members transpired before Bilderberg was founded in late May 1954 by Pilgrims Society member David Rockefeller--- (not a complete list) ---

1) Panic of 1907.

2) 16th Amendment passed---income tax.

3) 17th Amendment passed---Pilgrims Society seized working control over United States Senate; stolen away from State legislature control!

4) Federal Reserve Act signed by President Wilson; Hamilton Holt (Pilgrims Society) chaired the Woodrow Wilson Foundation starting in 1921.

5) On April 6, 1917, America was dragged into conflict to win World War One for the British Empire; all arranged by Pilgrims Society members.

6) Treaty of Versailles finalized; June 28, 1919; England and America acted to guarantee Germany would become desperate and accept a military dictator, because World War Two had already been planned by the Carnegie Endowment for International “Peace” and its Pilgrims Society trustees.

7) Pilgrims Society members scheme the League of Nations as an attempt to assert British Empire control over the rest of Planet Earth and extend the British Empire over everyone. Idaho Senator William Borah, sound money
advocate, remembered as “The Great Opposer” largely responsible for beating back the campaign to drag America into the League.

8) In 1926, Pilgrims Society members schemed the Great Depression by melting Indian silver rupee coins, dumping them on the world market until the price of silver fell from $1.12 an ounce in 1919 to 24.5 cents by February 1931. That was 95% of the cause of the Great Depression! At that time we had large export industries to India, China and the Far East. Their money was largely silver; when the British killed silver prices, the buying power of over 865 million people was so devalued they couldn’t pay for our exports; consequently, American export industries had to idle 15 million employees! Depression is dominantly defined as “high unemployment” not “crashed stock prices;” USA population in 1933 was 125.6 million. Around 48% of banks failed mainly state banks; gobbled up by Pilgrims Society megabanks!

9) In October 1929, Pilgrims Society members caused the stock market crash by suddenly slamming on the credit brakes at the Federal Reserve. Millions of ordinary investors lost most of their life’s savings; The Pilgrims Society recovered its payrolls of a multi-year period; but the high unemployment, which started later, was due directly to the huge drop in world trade caused by the extreme drop in the purchasing power of silver!

10) Pilgrims Society members dragged America into World War Two by having the Pacific Fleet on “off alert” status at Pearl Harbor in Hawaii. That was Franklin Roosevelt’s doing. FDR intentionally facilitated the Japanese attack on Pearl! This gave Roosevelt the excuse to drag America
into another British Empire planned, caused and orchestrated World War. **On hearing that Pearl was attacked, Lord Jowitt (Pilgrims London) said, “Thank God for that!” (Chicago Tribune, December 6, 1945, page 1). NOW THEY HANDED US ANOTHER CREATED AND MANAGED CRISIS! The goals are to impoverish and control! And depopulate! You are in their crosshairs at all times!**

11) After the war, Pilgrims Society members organized the United Nations as a second attempt at covert British world government. Pilgrims Society members erected a monument in London to Franklin Roosevelt, their boy! Two of his sons became members and also a daughter in law, Tobie Roosevelt, on The Pilgrims NYC executive committee as of 2014. Pilgrims Society member Cordell Hull, Secretary of State who presided over the International Monetary Conference in London in 1933 is remembered as the “Father of the United Nations” while his Pilgrims Society membership is **NEVER** mentioned! The Pilgrims NYC 1940 roster shows major financier at 55 Wall Street, Colgate Hoyt of Northern Pacific Railroad, copper mines and Colgate Palmolive; he married Civil War General Sherman’s niece; Hughes, chief justice of Supreme Court, and the Secretary of State---all unknown to the public as to membership in history’s most outrageous secret society---(Hughes next image) ---
12) In April 1949, North Atlantic Treaty Organization (NATO) was created by Pilgrims Society members; “Present At The Creation” (of NATO) by Dean Acheson, Pilgrims Society member and Canadian distillery fortune beneficiary, published in 1969.
13) Korean War started in 1950. Pilgrims Society members again involved America in another war to fatten their War Cartel Industries. The Pilgrims NYC 1949---Ackerman was Dean of Columbia University School of Journalism---

All these massive, monumental and shatteringly enormous events took place 100% without any Bilderberg
involvement, since Bilderberg did not exist till 1954! The Pilgrims Society was running the show and still is! Skull & Bones Society members were involved only at the distant periphery! Bilderberg is a mere distraction! Pilgrims Society dynasties are heavily invested in Big Pharma through hedge funds, mutual funds, direction of huge university endowments, foundations and bank trust departments. Someone wants to start hollering about Jesuits! They too are at the distant periphery! The Knights of Malta come closer and still don’t make it! Royalty long since eclipsed the Vatican empire!

Dave Janda, MORON, & Alex Jones, MORON, have been saying for A LONG time what a great patriot Trump is! Sure! Now he’s Readying the MILITARY to FORCE VACCINES on the public! “MAGA Don” is also pals with Kissinger and Prince Charles!

Ramifications of this may be able to protect us! Alan Dershowitz refuses to mention it!

Politicians have reversed millions of times!

Trump reversed about budget deficits!

President Trump’s “Operation Warp Speed” is seeking to deliver a coronavirus vaccine by January 2021.

MAGA half-wits! Wake up! Trump has NEVER been OK! He runs with Pilgrims Society members and he was partying with a sex offender, Jeffrey Epstein, way back! Trump is an evil Redcoat loyalist as we shall all see!!!

Less dangerous than Hillary does not mean safe!
Click below to see Trump in 1988 with the widow of Pilgrims Society member Vincent Astor, the likely source of President FDR ripping off 14,500,000 ounces of gold and 113,000,000 ounces of silver from U.S.A. residents 1933-1937. Brooke Astor became a member later and was on the council of vaccine promoter Rockefeller University---

Trump and Astor
If I say “The Pilgrims Society is behind vaccines” and write one paragraph, people will say, “that’s not enough proof,” so I make it a much more thorough effort and then they say “you made it too long to read,” stop being LAZY! Just spend 15 minutes daily and you’ll finish it! I can ferret out much more proof than this! It took me YEARS and $$$ to get the lists of names I have of a super-elite group of hidden aristocrats nearly no one has heard of! Bilderberg is a kid’s lemonade stand joke and has no roots in world history to compare! Lots of books are offered for purchase on vaccines---none have remotely anything approaching this info, and it’s also free as in you pay nothing to get it. I list some of the better vaccine cautionary books at the end. If you can’t take hard hitting criticism, stop here---I won’t soft-pedal these monstrous Royalist conspirators! If you think vaccines are questionable but there’s no organized planning with ill intent behind forcing vaccines on the public, I can’t reach you. Things don’t happen due to sleepwalker activity!

“COVID 19---The Biggest Hoax in the History of the World”
This is excellent commentary! Read it & return here!
Great editorial but Clive! The MONEY TRAIL leads to The Pilgrims Society
As literally always and not to Bilderberg which is a distraction!

The lockdown/shutdown was intended to damage small and medium size businesses---not big business (in general). It’s about more wealth seizure and concentration. As for travel---elitists see travel as a benefit ONLY for themselves like “Prick” Pritzker Illinois Governor appallingly obese fatso directly implied when asked about his wife traveling to Florida. Slaves are restricted to plantations and must have a signed pass to venture out! Today the plantation owners are coming at us with proposed involuntary chip implants! We are dogs at their veterinary clinics! Media control in a few hands enables the exploiters (led by Royals as it shockingly turns out) to manipulate the public mind and to suppress dissent. This media domination is nothing recent. American Opinion Magazine reported on it in “Who Controls the Press” in September 1970 page 15 mentioning the shark like Lord
Thomson of Fleet who “added to his international publishing empire fifty six American papers” (page 15) and “Thomson is a member of the elitist Pilgrim Society, which seeks to merge the United States into the British Commonwealth as a base for World Government. The major international banking firms on both sides of the Atlantic are well represented in the Pilgrim Society.” (They call themselves The Pilgrims or Pilgrims Society) ---and Trump has said we should join the Commonwealth! He is NOT a “patriot!” In “Teleslick” in October 1970 Gary Allen in the same magazine noted of CBS Broadcasting chairman William Paley---“Paley is a member of the Pilgrims Society, sometimes called THE WORLD’S MOST SECRET ORGANIZATION, which has as its goal the reuniting of England and America” (page 22). Page 27 had Allen saying of the head of NBC News--“David Sarnoff is also a member of THE SUPER SECRET PILGRIM SOCIETY, whose official logo is entwined American and British flags.” The flags are actually extra to their symbol, which you will see as you continue. Media ownership is tighter today than a half century ago. Media is a tool for influencing compliance with the Pharma division of The Pilgrims Society’s World Money Trust. Johns Hopkins University reported bloated claims for Corona virus deaths; JHU is a HOTBED of Pharma! From The Pilgrims NYC 1957 leaked roster---

Sarnoff, Brig. General David Sartorius, Herman U.
Satterthwaite, Franklin Bache
Sarnoff in all his 78 lines of info on page 791 of the 1957 “Who’s Who in the East” couldn’t find any space to mention “Pilgrims Society” or “Pilgrims U.S.” his most important item had to be kept in the dark. Incidentally, the Horned Devil Network, MSNBC came about in 1996 in a partnership between Microsoft and NBC, owned by General Electric. General Electric has had its share of Pilgrims Society members on its board, including Lewis T. Preston Jr. chairman of J.P. Morgan & Company, who married Gladys Pulitzer of Pulitzer Newspapers and the Pulitzer Prize award, given to “journalists” who assist the financiers in keeping the public confused and uninformed. Preston’s grandfather was a Standard Oil executive.
Satterthwaite had in his ancestry Benjamin Franklin; Treasury Secretary Alexander Dallas (1814-1816); George Dallas, vice president of the U.S. (1845-1849); a Postmaster General (Richard Bache 1776-1782); Richard Bache Jr. who helped draft the Texas Constitution of 1845 (taking Texas away from Catholic Mexico and making it less distant from Anglican England); more besides.

On page 165 of “Raised by the Stars---Interviews with 29 Children of Hollywood Actors” (2011) we find---

Who were the early influences in your father’s career?

I would say the first was Jimmy “Carnation” Lake, who ran a burlesque theater in Washington, D.C. He was a vaudevillian, a comic and dancer, who hired my father to work in the theater. He was the reason my father always wore a carnation in his lapel. But most importantly, a man called Herman Sartorius, who played a huge role in helping my dad get to Hollywood. He was his mentor and was very wealthy. His father owned Sartorius Pharmaceuticals near New York City at the turn of the century. Uncle Herman, as I called him, was my godfather. And he truly was my father’s “godfather” because he paid my father’s way to California, and even bought him his first home there.

Some readers may need to be told that all these details are “ramifications” and not “tangents.” How we came to be in this jeopardy we are in is instructive. To return however to the present---

**ATTORNEYS NEED TO SEE PEOPLE’S ENTIRE FACE** WHILE ANSWERING QUESTIONS IN COURT (HOUSTON).

Polystyrene in face masks causes health problems!
- Face masks restrict vital oxygen intake!
- Immune system needs oxygen!
- Low oxygen increases inflammation!
- Recycling stale exhaled air with elevated Carbon dioxide for hours is moronic!
- **Pharma wants Americans to be SICK (= $$ $$)**!

What happens if we breathe in carbon dioxide?

A high concentration can displace oxygen in the air. **If** less oxygen is available to breathe, symptoms such as rapid breathing, rapid heart rate, clumsiness, emotional upsets and fatigue can result. As less oxygen becomes available, nausea and vomiting, collapse, convulsions, coma and death can occur.

[https://www.healthline.com/health/hypercapnia](https://www.healthline.com/health/hypercapnia)

Hypercapnia, or hypercarbia, is when you have too much carbon dioxide (CO₂) in your bloodstream. It usually happens as a result of hypoventilation, or not being able to breathe properly and get oxygen into your lungs. When your body isn’t getting enough fresh oxygen or getting rid of CO₂, you might need to gasp or suddenly inhale a lot of air to balance your levels of oxygen and CO₂.

**Media refuses to report these issues---**
Hypercapnia, or **hypercarbia**, is when you have too much carbon dioxide (CO₂) in your bloodstream. It usually happens as a result of hypoventilation, or not being able to breathe properly and get oxygen into your lungs.

Above is short but useful video on vaccines by Infowars. Why has Alex Jones banned coverage of The Pilgrims Society? I’ve had word of this thing going around by website since January 2011 and by a report “Meet The World Money Power” posted in December 2004. He made a commitment to the idea that Bilderberg is the top globalist group, and trashes superior info showing The Pilgrims Society to be the top globalist (“British Empire”) group! Or is Jones getting payoffs to remain silent? Lyndon LaRouche and I have never been in contact and his info on the British is trivial! Infowars refused response to my inquiry! ALEX JONES IS COVERING UP FOR THE PILGRIMS SOCIETY! Corbett Report? Worthwhile documentary on Bill Gates. Nothing about The Pilgrims Society however, nor about their mentioning him.

What major role in the California Pharma lockdown is played by the Pacific Union Club of San Francisco and the Bohemian Club out of San Francisco? Both are interlocked with their clear 100% superior, The Pilgrims Society. The actual state government of California is in San Francisco---not Sacramento! The Commonwealth Club in San Francisco is an also-ran and has its share of moral contamination. Despotic government officials hating on the public rely on police power to force compliance of their edicts on the public! This can become their vulnerability if “law enforcers” experience an awakening of conscience! Decent people however do not knock down an old man and leave him bleeding with a

That’s the attitude America needs now from county sheriffs, state troopers, state national guard and police chiefs regarding stay at home orders vomited out by “Pharma Compliant” county judges (Dallas and Harris County Texas among the most starkly totalitarian), mayors, governors and anyone else, as to masks in public, business closures and mandatory vaccines and human implanted tracking, data and control monitoring chips! "I cannot in good conscious [sic], and will not control the legal free movement of others based on directives that I believe are in conflict with the Constitution. The thoroughly demonized Michigan Governor, like an appalling succubus “Elizabeth Bathory” chancre on the state, who was appropriately demonstrated against by responsible citizens displaying Second Amendment rights, may be chosen as “Du Pont” Joe Biden’s VP. Biden is from Delaware, and like all politicians from Delaware, is 100% owned by the Du Ponts (Pilgrims Society, Crown loyalists, “Merchants of Death” in world wars and regional conflicts), and history’s biggest groundwater polluters. If Biden-Whitmer took the White House, Joe would suddenly “geezer kick off,” and a tyrant the likes of which we’ve never before seen will mimic Obama’s tirade of “I have a pen” and issue Executive Order that all “civilians” must report for dozens of vaccines and chips, else she’ll turn every police department and the military against us all! Will “law enforcers” go for such deviltry? We sure know that many of them would! Sir Denys Lowson Lord Mayor of London ran an empire of railroads, steel, shipping, mining, banking, insurance & real estate in Canada, Australia, USA, Ghana, Chile & England in a “tangle of cross shareholdings, based on some 100 trading & industrial companies throughout the world, owned & controlled through 14 interrelated investment trusts” which was “the most complicated of the City’s vast financial empires.” A member of the Worshipful Company of Gold & Silver Wyre Drawers founded in 1693 when Coutts Bank was founded for the Royals, Pilgrims Society member Lowson had definite interest in silver being a Bank of Nova Scotia director who received hoopla for touring Broken Hill Proprietary silver miner in Australia, which became the giant BHP Billiton…
An unholy plethora of Pharma entities spontaneously sprang to life in March 2020, all pre-planned for years as to timing, and menacingly coming at the world with coercive syringes, chip implants, financial catastrophe and loss of liberty as in the gaudy characterization by horror novelist Howard Philip Lovecraft---

“I personally know someone who was recently killed in a motorcycle accident. He was brought to the hospital already dead. On the death certificate the hospital said he died of corona virus when the fact is he never had the virus and the only reason he died was the accident itself. The hospital gets three times more money if they say their patients died of the corona virus. We really are living in a world of sick minded people who will do anything for money and power.”

A massive blitz in a ten-day period by lying media and overbearing government in March 2020 kicked off the deletion of essential and desired (“nonessential”) services and basic Constitutional rights from 330 million Americans! It launched a monumental Pilgrims Society attack on business The Society had yet to control, and enabled the transfer of vast assets into their scheming old-line largely Episcopalian Crown loyalist hands. The Patrons of The Pilgrims Society, the Royal family, are very up in years, see their coffins and embalming sessions nearing, and strongly desire to see their serfs in their American colonies cracked down on as to basic freedoms before the Reaper removes these elderly demon-human hybrids. An appeal to
medical emergency had been hatched decades past and was ready to be unleashed. Scheming state governors and lower level officials closed 60% of the economy, and didn’t they realize that doing so would impair the intake of billions in sales tax revenues? But! All for Big Pharma! To paraphrase British Empire loyalist, Pilgrims Society member Whitelaw Reid, Ambassador to England 1905-1912---

“BIG VACCINE PHARMA CAN COUNT ON EVERY OFFICIAL, EVERY MAN, EVERY WOMAN, EVERY CHILD, EVERY DOLLAR, AND EVERY DROP OF BLOOD IN AMERICA!”

In the 1870s, Standard Oil was supplying editorials to over 300 newspapers to subvert public opinion to their objectives. Today media is tightly owned by Pilgrims Society dynasties and additionally controlled by massive advertising patronage; in this case, Big Pharma, The Pilgrims Society’s most important looting cartel at this time, plundering and pillaging, assisted by amoral “medical doctors” who get a panoply of BRIBES to PEDDLE their artificial chemical products to the public. Hardly anyone can question vaccines at all, if a questioner gains attention, media character assassimates that voice as a conspiracy theorist. History has many dozens of examples of awful tyrants--- Marcus Licinius Crassus, Nero, Genghis Khan, Bloody Mary, Joseph Stalin, Benito Mussolini, Idi Amin, Pol Pot to name a few. According to our Crown managed media, none of the big rich are in any collusion to harm the public by deleting more wealth and health from them. **ALL BIG MONEY AND POWER PEOPLE TODAY HAVE LILY WHITE INTENTIONS TOWARDS THE SMALL FOLKS,**
ACCORDING TO THE MEDIA!  Also according to Forbes and Fortune and other standard sources, the old-line intermarried wealthy, all combined, can barely total $5 billion in wealth! And this milk-toast punk Zuckerberg with his “arms that can only lift a spoon” (1965 song) is wealthier than the Du Ponts for ex, who were beneficiaries of our second central bank, the second United States Bank (1816-1836)!

The United States and all of Planet Earth is in the grip of a devilish vaccine conspiracy to 1) loot wealth and 2) cause sterility and numberless other medical issues so the rest of people’s wealth can be seized by hospitals and more pharma and 3) to cower people into abject submission to governments. No organization besides The Pilgrims Society can stand at the pinnacle of this looting program. Its history shows its grizzly bear dominance in a field of rabbits. There are many facts I could ferret out with hundreds of hours of time spent reviewing the leaked rosters 1907 to 2014, with the biggest gaps being 1958 to 1968 and 2002 to 2013 and 2015 to 2020. Most members being members for many years, the overlap still leaves a minority unidentified. Significant numbers of men become members a few years before death and their assets go to The Society with heirs left out in the cold. No marathon filibuster production is necessary to outline what these Worthy Royalist Gentlemen have planned for several billion Crown serfs of Planet Earth. 33 million or more Americans out of work, businesses and households bankrupted; regular medical problems untreated. It sounds like a close approximation of the description of The Pilgrims Society’s aim to effect “the seizure of the wealth necessary” (Review of Reviews
May 1902 page 557). Why compete? Just use government power, facilitated by bribery and in this case, criminal medical deceit, to ruin millions of small to mid-size businesses and further reduce the middle class into poverty. “The object of the Society shall be the promotion of the sentiment of brotherhood among the nations” (from The Pilgrims 1969 leaked roster). “We may also gather, from what we have seen, that ALL DECLARATIONS OF UNIVERSAL PHILANTHROPY ARE DANGEROUS” --- John Robison, Professor at Edinburgh University, 1798. The thousands of “researchers” and “biomedical scientists” who tell us we are in dire need of many vaccines like a dartboard being hit, who pays their salaries? Why, Big Pharma definitely, and we are supposed to childishly accept no financial bias is in play! Bluebeard and Captain Kidd’s pirate ships were just little lemonade stand businesses!

The object of the Society shall be the promotion of the sentiment of brotherhood among the nations, and especially the cultivation of good fellowship between citizens of the United States and its dependencies and subjects of the British Empire.
"A Secret Society gradually absorbing the wealth of the world."—Last Will & Testament of Cecil Rhodes
They’ve had a plan to recruit wealthy men from all over. The two sectors most represented early on were enormous railroad systems and banking.

The only thing feasible to carry this idea out is a secret one (society) gradually absorbing the wealth of the world to be devoted to such an object. There is Hirsch with twenty millions, very soon to cross the unknown border, and struggling in the dark to know what to do with his money; and so one might go on ad infinitum.

What a scope and what a horizon of work, at any rate, for the next two centuries, the best energies of the best people in the world; perfectly feasible, but needing an organization, for it is impossible for one human atom to complete anything, much less such an idea as this requiring the devotion of the best souls of the next 200 years. There are three essentials: (1) The plan duly weighed and agreed to. (2) The first organization. (3) The seizure of the wealth necessary.

The Pilgrims Society, hovering unseen phantom like over the fifty States, and as a colossal vortex magnetizing wealth away from others and to itself and to those in its subsidiary satellite groups,
creates crises as excuse to diminish liberties and uses government power to wreck interests outside its influence circles. This Covid-19 “crisis,” entirely schemed, planned, premeditated, intrigued and orchestrated, is also for the objective of “the seizure of the wealth necessary.” Large interests remained open while small and medium size businesses were targeted with ruin. Afterwards the larger interests, including real estate interests grabbing the holdings of the victims of the shutdown, and seizing and absorbing the wreckage, concentrating wealth to an ever more extreme degree, bounding forward in wealth. This insidious plan is even more harmful than Franklin Roosevelt’s Fascist rent controls he tyrannically imposed, bankrupting hundreds of thousands of small landlords, and their assets were seized by Pilgrims Society entities, after which the rent controls were “magically” ended! The Roosevelts are known more as a political than a finance dynasty. However; wealth encompassed by the Roosevelts is scandalously underrated; an FDR Roosevelt line heir in Dallas seized control over a West Texas petro field alleged to be worth over $50 billion.

Now as to the Vaccine Menace---
Recent visits to supermarkets are disheartening. After the Governor of Texas voided all city and county orders for masks to be worn outside of residences, I noted over half of shoppers were wearing masks. Mask wearers are more likely to be “compliant” to take multiple vaccines. Furthermore! We are now being dictated to as to which aisles we are allowed to enter from which end---like one-way streets! Eventually we will need a Regional Medical Tribunal permit to take a shower in our own residence else be levied a severe fine and perhaps take wasp stings to the eyeball ordered as “clinical compliance therapy.” Notice all the medical “authorities” on broadcasts---not one has whispered any faint scintilla about NUTRIENTS for the immune
system! Are there any rays of hope? Yes. The more so-called “civil disobedience” the better, as the Redcoat British are among us again, in a far subtler form. Already for several years we’ve seen county sheriffs in many states declaring they will not agree to any gun grab from the citizenry---a matter to help along that aneurysm top gun grabber Mike Bloomberg (Order of the British Empire) hopefully has developing in his subclavian artery. In late April 2020 a county judge in Harris County (Houston) issued a tyrannical edict that anyone outdoors without a mask should be cited with a $1,000 fine. Democrats appear to be receiving more and fatter Pharma bribes than Republicans. The Houston Police Association quickly responded with its refusal to cite people for no mask! Look at the armed demonstrators in the Michigan state capitol! Yes, there is hope to reverse this drift towards Medical Vaccine Fascist Reich Dictatorship! There is something outstandingly tragic I’ll mention; MY MOTHER RECENTLY DIED FROM CRIMINAL NEGLECT IN A NURSING HOME RUN BY “HEALTHCARE PROFESSIONALS” INCLUDING SEVERAL MEDICAL DOCTORS AS WE WEREN’T ABLE TO SEE HER TWICE DAILY TO GUARANTEE HER SAFETY! PEOPLE NEED NUTRIENTS, CLEAN WATER, EXERCISE, REST AND SANITATION AND VOLUNTARY SOCIALIZATION---NOT PHARMA AND “NO FREEDOM OF MOVEMENT” LOCKDOWNS! THE BODY PRODUCES VITAMIN D WITH CAREFUL SUN EXPOSURE---AN ESSENTIAL IMMUNE BOOSTER!

The torrential onslaught of lies about Covid 19 has doubtless caused more nursing home fatalities by far due to family members being banned from checking on their loved ones than
actual C virus deaths! Never trust any nursing home staff even if you see them walking on water! Contact your Governor’s office and those of your State legislators insisting that nursing home operators not be given immunity from prosecution for deaths by neglect, malnutrition, dehydration, medication errors and bedsores during the span of the “lockdown,” due to enhanced negligence on their part! Family members can’t come to guarantee proper maintenance of their elderly parent? “So it’s SPREE TIME! We get to slack off our responsibilities!” Ask the AARP and NARFE to have their members do the same. AARP and NARFE are a sad joke; local chapters are difficult to contact and it’s always a recorder and no reply; they refused response to my appeal for this help! Maybe you’ll have a better outcome.

People can also fare much better with a pet dog for friendship than with a scum-sucking “mental health professional” for “counseling.” Psychiatric MHP’s so-called, caused the gun rampages in complicity with Pharma whose “medications” make people go homicidally berserk! Media won’t report it due to advertising patronage and overlapping ownership. Message and debate boards are largely corrupted; Quora is run by two reeking alumni from Facebook! They will get around to labeling vaccine refusal to being still another in their cosmos length list of “clinical mental illnesses” and “involuntary compulsive disorders.” No more than bland criticism of Bill Gates and vaccines is allowed on Quora without getting a “moderation” message that a post has been “collapsed.”
If food shortages worsen, food riots will break out in hundreds of cities, giving the government what it wants, an excuse to declare martial law. Especially avoid supermarkets like Kroger where there are rock garden layouts by the parking area; those stones will become weapons! The vaccine fascists are working to cause food shortages. We don’t need food; we only need vaccines. We’re told that food processing plants have rampant Covid-19 infections; yet, people are pouring into supermarkets, and no alleged “spike” in infections is noted! Media alarmism about reopening beaches, parks and small businesses---but as to
the nationwide riots after the cop executed a Black man—little need to worry about COVID spreading! People can’t see a conspiracy in these ominous events until the globalists decide the small folks only need one eye, and they get a notice to report to get an eye removed and a nice eye patch to cover the area; Social Register Episcopalians in Manhattan will bid among each other for olive jars filled with commoners eyeballs, like caviar. Slaves were branded and ears cropped, why not impose something similar on everyone outside Pilgrims Society circles? Nurses and doctors who have a faint impulse to denounce this Pharma conspiracy realize their licenses will be lost if they speak out. The Texas Governor has a board of advisors as to reopening Texas. Included is Richard Fisher ex chief of the Dallas Fed who was with Kissinger & Associates. Pilgrims Society tentacles extend into many high places! Years ago Fisher bought 10,000 acres of farmland total in several states and put $1 million into gold---poverty is not for Federal Reserve types. Republicans have no good intentions towards the public; they are only less obviously dangerous than Democrats. Gold, silver and farmland will always be valuable regardless of what happens to created “currency” and cyber “money.” FYI---what I have is nearly all out of state! But not in Switzerland, which is for stylish morons! They won’t be able to access it! “That’s a hell of a price to pay for being stylish” ---Clint Eastwood in “The Enforcer” (1976).

The British Empire schemed a devilish tactic to “recover” many thousands of tons of silver paid to China over centuries of East-West Silk Road and seagoing trade with Europe and the British Isles. Grow opium in British India and bring it into China and turn
millions of Chinese into addicts and insist payment in silver and gold. Out of that “business program” the British did indeed recapture vast piles of silver. They also occasioned both Opium Wars and the launching of the Hong Kong & Shanghai Banking Corporation and the modern Standard Chartered Bank. See “Silver Users and Opium” released in March 2004. These two and other megabanks have banking relationships and director interlocks with Pharma! Estimates of addicts in China ran into the dozens of millions. How much seed capital for pharma enterprises was derived from the opium “trade?” HSBC Bank sent an executive over to Pharma giant Glaxo Smith Kline in 2019 to be chairman! Sir Jonathan Symonds has background in Goldman Sachs and Astra Zeneca, another reeking evil Pharma giant and Novartis Pharma. No Pilgrims roster dated 2015 to the present is available; he easily may be a member. He is a CBE---Commander of the British Empire (the “visible” ring around The Pilgrims). This link suggests Symonds could be a Pilgrims Society member; well of course---however The Society is not forthcoming as to its roster. GSK as of 2019 reported 99,437 employees. It was caught in a kickback to doctors scheme in 2012. We should realistically suspect all state governors, all senators, congressman, all members of state legislatures, thousands of city mayors and county officials---of being potential recipients of Pharma BRIBE MONEY for the precipitous national lockdown and conspiracy to forcibly vaccinate everyone. Measures to restrict freedom of movement are always tyrannical. Ruination of millions of small businesses has Jeff Bezos as biggest beneficiary---a likely Pilgrims executive committee member or on the panel of four vice presidents, were
updated info available. However, enough info is available to show a definite prevailing pattern.

ARE YOU VACCINATED?
That is the Question That is Agitating
Butte Just Now.

TALK OF THE SMALL POX

There is Some Danger That the Terrible Disease May Reach Butte—Facts For the Board of School Trustees.

BUTTE, Jan. 8.—Why does not the board of school trustees compel the children attending the city schools to be vaccinated? That is a question that is agitating some people of a precautionary nature in this city.

The recently published sanitary statistics showed that there were at the time 932 people in the city limits of Butte who were not vaccinated. No vaccinating has been done in the city since that time, and the births have been numerous, so there are surely 1,000 or 1,500 residents of Butte today who would be exposed to the small pox scourge if it obtained a footing in this city.

In the county there are between 2,000 and 2,500 people not vaccinated.

From the reports of the state boards of health of the various states, it appears that there is no city in America as exposed to smallpox as the city of Butte is shown to be by the above figures.
The story mentions “health officer Roberts” saying **all the miners should be forced to be vaccinated also!** Well the silver and gold miners have been getting the COMEX price vaccine for decades! The Anaconda Standard newspaper parroted everything desired by James B. Haggin, dominant owner of the Anaconda Mine (and 159 other mines all the way to Peru, Korea and Alaska) ---his brother in law Lloyd Tevis was the second most dominant shareholder. Haggin appeared in The Pilgrims NYC 1907 roster. The leaked 2014 Pilgrims NYC roster shows Haggin’s GG son, and John TEVIS Lane (close to impossible to get info on that one!) For 287 page (and still very incomplete) review of James B. Haggin (1827-1914) and some of his peers who were also involved in bribing Congress to pass the Coinage Act of 1873 which transferred **over one million square miles of land to the “gold only” faction** and Haggin was dominant owner of the great Homestake Gold Mine in South Dakota, the Western hemisphere’s biggest, and outrageously stolen by armed force from the Sioux tribe see [http://nosilvernationalization.org/189.pdf](http://nosilvernationalization.org/189.pdf) Or see left side of start page [www.silverstealers.net](http://www.silverstealers.net) ---where you will find court acceptable proof that Haggin literally bullied the “all powerful” Rothschilds---bouncing them around like basketballs---Haggin’s mines have produced over 110 million ounces of gold---over 700 million ounces of silver---and who knows how many billions of pounds of copper---the 1890s electrical boom caused his T-Rex sized fortune to bound upwards like a menacing mushroom
cloud---yet so few today have ever heard of Haggin---seizing control over California’s Kern River was one of his minor exploits---and owned over three times more race horses than anyone else in the entire world---

**POST THESE CARTOONS ALL OVER THE WEB**
After we review the following choice scans I want to acquaint you with two examples (more are available) of two Presidents heavily influenced by tycoons or magnates in Big Pharma---Pilgrims Society members, no less! The Presidents we will scrutinize are Nixon and TRUMP! Yes, TRUMP! Also Henry Kissinger, a member of The Pilgrims since 1974, has been close in with every President for 46 years! His sponsors, largely the Rockefellers, placed Henry on boards including Continental Grain; 20th Century Fox Film; American Express. Just after the next image are the scans of a leaked Pilgrims NYC document from 2001. Tucker Carlson---why won’t he mention this group?
He’s a flunky level outer circle member as of the 2014 roster with his sinister daddy who’s been a member since 1994 or earlier; he headed the Corporation for Public Broadcasting after being with NBC, ABC and CBS---Tucker is controlled opposition massaging minds---

I have this rare GEM of information in two parts to present to you! You’ll not find anything remotely approaching it in anyone’s vaccine awareness sites; this isn’t to say they haven’t done a good job; these matters of tracing Pharma upwards into elitist hands however have been neglected and sourcing rosters of The Pilgrims is more than extremely challenging. Naturally it will be blacklisted by Greg Hunter, SGT Report, Dave Janda, Silver Doctors, Sarah Westall, GATA, Mac Slavo, Alex Jones, David Icke, The Ameduris, Dunagan Kaiser, Josh Sigurdson, X 22 Report, Dave Hodges, Chris Martenson, Breitbart News, Zero Hedge, Catherine Austin Fitts, Daily Coin et al who have blacklisted, blackballed and censored, covered up and denied public information on these presentations on The Pilgrims Society---the apex nerve center of world globalism---prominently online since January 2011 at www.silverstealers.net Those “alt news leaders” refuse interview coverage to anyone who isn’t selling and marketing and peddling newsletter subscriptions and other
purchase wares. They refuse to admit they’re running sales and marketing businesses. Don’t donate money to a YT channel when all its guests are peddling to you because the guests are already paying to get their sales promoted. Following is the ONLY transcript of a meeting of The Pilgrims Society I have, and it doesn’t show what was said off the record---and only members receive this info, present in NYC or not---this was obtained from a source in The City of London---as in, under their nose---Alex Jones---you will report on this WHEN??? ---

With its senior branch in London, this is THE apex Globalist organization anywhere on Planet Earth!
No entity has ever been as globalist as the British Empire, on which the sun never sets! Renaming it a Commonwealth is a ploy!

“The Annual Meeting
April 25, 2001
Louise Fréchette, Deputy Secretary General,
United Nations, Guest of Honor

“I got to speak to the PILL-GRAMS!”

They placed her on the board of---
After correctly dismissing their pretense of goodwill, notice they place the Royal family in priority importance over the United States President! The Pilgrims NYC is junior partner to The Pilgrims London, regardless that it took American military power in both British planned and caused World Wars, to defeat the enemy, which in World War One was German competition in world markets with the British Empire; then at the Versailles Treaty in 1919 at Paris, the British-Americans via the punitive Treaty terms, caused Germany to become desperate and turn to a military
dictator. “It is not a peace treaty, but a break in hostilities” ---Lord Curzon (Pilgrims Society; eyebrow raising info on Curzon in Part Two). The USA Pilgrims want the British Sovereign to eventually replace the United States President!

The Protestant Episcopal Bishop of New York, since January 1903, has always been a vice president of The Pilgrims USA. Why? Figuring this out isn’t difficult! The Royal family of the United Kingdom, the Windsors, are the sponsors of The Pilgrims London and The Pilgrims New York. The Royals also sponsor and run the Protestant Anglican Church of England. The Episcopal Church USA is the American affiliate of the Anglican Church. In the 1770s the Church of England in America altered its name to Episcopal Church so as to take less heat as sympathizers of the King. King’s College in New York, founded in 1754, also used this tactic by changing its name to Columbia University. The Pilgrims USA is Episcopalian dominant; there are also Presbyterians, Dutch Reformed Church, Methodists, Lutherans, Catholics (some) and Jews (some); the fact that the nation’s top Episcopal Bishop is a Pilgrims official is another of numerous decisive proofs that this is a Royalist organization, period! Henry Luce III became president of The Pilgrims USA NYC as of 1997 and remained in that role till his passing in 2005. A gerontocracy (older men) runs America! Before reviewing the leaked annual meeting document of The Pilgrims 2001, a quick acquaintance with Henry Luce III is in order---
spooky, slap-happy and goofy looking simultaneously like he’s high on sniffing something---maybe “Lucifer” Luce had the quirk of having his lips open so he could snack on an occasional horsefly---looks like a grotesque soup drooler too---a “Hell 666” Royal Crown loyalist for sure---
His son Henry Christopher Luce was also in the 2001 Pilgrims Roster & manages Dallas Family Office Association of “ultra-high
Net worth individuals.”

“Who’s Who In America” 2005 page 2871---
This is a great tipoff as to why Fortune Magazine lists of the big rich show Old Rich near the bottom---they own such media and desire that their wealth be minimized, same as Forbes Magazine with three members Malcolm...
Forbes Senior, Steve and Christopher Forbes rigging their wealth roster to show what they have as a strategy for it to show. The Forbes family also had Caspar Weinberger (Pilgrims) on board. The Saint Nicholas Society is among the most important satellite groups of The Pilgrims, representing as it does quiet but enormous hereditary wealth tracing to Dutch colonial 1600s New Netherlands. The Pilgrims London 2014 shows a Lord Luce, who was Governor of Gibraltar and Lord Chamberlain to the Queen and a member of the House of Lords, member of the Privy Council and the Order of the Garter (founded in AD 1348 by King Edward III and limited to 27 members) among numerous other positions.

Note the globalist “markers” in his scanned info---United Nations University (Tokyo); American Security Systems; Lansdowne Club London; Explorers Club (has to do with finding valuable mineral deposits) and of course, The Pilgrims. Time Magazine has always had a strong internationalist/globalist slant meaning “Anglo-American World Empire” and has done its job covering up the existence of The Pilgrims Society and warping history in ways the globalists wanted it presented (such as “The 1929 Crash caused the Great Depression” no it did not!) [http://silverstealers.net/tss.html](http://silverstealers.net/tss.html) The British attack against world monetary silver launched out of British India in 1926 was 95% of the cause of the Great Depression. Commentators may have hundreds of thousands of YT subscribers, but if they tell you the 1929 Crash caused the
Great Depression, they are telling you not only wrong, but abysmally wrong! If they tell you Roosevelt took gold but he didn’t take silver (he did in 1934) they’re wrong too. The Pilgrims earlier had member James M. Hester, a Rhodes Scholar, as chancellor of UN University and a director of Silver Users Association member Union Carbide (of Bhopal India “chemical Hiroshima” infamy) and Lehman Corporation.

The earliest Pilgrims list I have showing Luce III is the 1974 list; he could have been a member by 1970. His daddy Henry R. Luce below was in The Pilgrims 1954---he founded Time Magazine with assistance from the fabled Livingston dynasty, which is genealogically linked to more Pilgrims Society members than any other family (Louisiana Purchase and so much more) ---Henry Luce---his second wife became Ambassador to Italy in 1953---(men used to wear hats as part of the business suit; see it in 1950s movies---what happened?) ---some things change---they still wear strangling and useless neck ties---and coats indoors!
Henry R. Luce was on the Yale University Council (vaccines); trustee of Roosevelt Hospital (vaccines); Union Theological Seminary (nondenominational but Episcopalian dominant; he was a Presbyterian, Scottish Crown loyalist) and trustee of China Institute in America (suspect VERY shady dealings here!) Time Incorporated has had other Pilgrims Society members in its organization. We then saw the combination of Time-Warner and more recently Charter Communications. The media is breathtakingly biased in favor of vaccines because of who owns and controls media! A brief
description follows of Pilgrims USA management as of this 2001 Vaccine/Gates Foundation/United Nations official’s address to the most top-secret organization in history---

Whitehead a kindly looking man who was incredibly dangerous---
Moore was Episcopal Bishop of New York 1972-1989 but held a slot on The Pilgrims VP panel while Sisk was getting ready to move up. Moore “was a member of one of America’s *richest* families” in *Bankers* Trust New York, National Steel, American Can, Nabisco, Republic Aviation and other large concerns. Episcopalian financiers are so fanatically devoted to the Royal family that they sometimes become Episcopal clergy! Moore’s daddy was in The Pilgrims 1957 roster. Whitehead was boss at Goldman Sachs for some years---an Episcopalian boss in an investment bank with Jewish names---trust me, the Episcopalians run Goldman Sachs and people like Blankfein are figureheads same as Bernanke and Yellen at the FED in D.C., were straw stuffed scarecrow figureheads! After his death reliable [*info*](https://example.com) came out that Rev. Paul Moore was a **“serial sex predator.”** General Haig was Supreme Allied Commander (NATO) in Europe 1974-1979; was president of giant defense contractor United Technologies
1979-1981; Secretary of State 1981-1982; Haig was “in” with Henry Kissinger as of 1969; Rockefeller family operative Kissinger a Pilgrims member since the 1974 roster (probably a member by 1973) and is likely the world’s most notorious globalist, despite that he is not a substantive power of himself; Henry a food control and vaccine advocate and warmonger; Kissinger up in years and likely to have X’s marked on his eyelids soon enough; Trilateralist Haig was a member of the Papal Knights of Malta, and in “Who’s Who” sources and Notable Names Data Base (NNDB) was silent as to his membership in the Royalist Pilgrims Society; many examples of Royalists penetrating the Papal sphere; Haig a member of warmonger think tank, Center for Strategic & International Studies in D.C. which with the International Institute for Strategic Studies in London, is a Pilgrims Society joint operation planning World War Three with Commonwealth and NATO nations against Russia and China, built up into enemies by Pilgrims Society members; warmonger Haig was a director America Online, Metro-Goldwyn-Mayer and MGM Mirage Hotel; had Secret Service code name “Claw Hammer;” Episcopalian Whitehead was senior partner and co-chairman of Goldman Sachs; chairman of Federal Reserve Bank of New York (1996-2000); director United Nations Association; member of Committee on the Present Danger (warmongers); trustee Mellon Foundation (named after major silver suppressor); trustee Eisenhower Exchange Fellowships; other items too numerous to mention; Laurence Windsor apparently related to the
Windsors, the English Royal family; Pyne a hereditary wealth holder of staggering riches amassed in the 1800s “robber baron” era in banking, railroads and utilities; see after image for more info---

Volcker 100% bossing Obama---
With the above image we can start with Paul Volcker, FED chairman who arranged the “bailout” loan of the Dallas Hunt brothers (with a syndicate of Pilgrims Society megabanks) and set it up so that by 1986 the Hunts were stripped of 60 million ounces of physical silver; the same Paul Volcker who in the early 1960s mouthed off that the price of gold would swoon to $5 the ounce if the U.S. Government didn’t maintain it at $35---major monetary suppressors have always been in the leadership of this boundlessly injurious Pilgrims Society attacking civilization; Lawson-Johnston, another Episcopalian, took over control of the immense Guggenheim mining and smelting fortune---see proof at “Vast Mining Fortune Represented in Pilgrims Society World Money Trust” 258 pages at [www.nosilvernationalization.org](http://www.nosilvernationalization.org);” Gardner (Carnegie foundations; Rockefeller Brothers Fund); UN;
created Corporation for Public Broadcasting; authored “Can We Be Equal and Excellent Too?” Billionaire Dixon in real estate has 3340 offices in 120 countries; Humes (Order of the British Empire) is of a very old English family deeply connected to Royalty; speechwriter for five USA Presidents; Nearly all Presidents have Royal ancestry; Humes a UNESCO figure; advisor to major silver user Du Pont; ancestry features Lords and Earls back to the 1400s; his middle name Calhoun appears to be after central bank advocate John C. Calhoun (1782-1850) and opponent of President Jackson; Davison headed United States Trust Company of New York at 45 Wall Street; second generation member and Bonesman; linked to J.P. Morgan & Company; Episcopalian; connected to Gould family of 1800s railroad and gold fame who notoriously bribed judges; Meehan was a “global” investment banker (Salomon Brothers, Bank America, CPI International Holdings).

Drexel IV in his religious Mystical occult OSJ Costume---
Drexel was a second generation member; his father was on the executive committee; descended from the mentor of the original John Pierpont Morgan Senior; Drexel a leader of important Pilgrims satellite group, Order of Saint John of Jerusalem, also sponsored by the Royal family; Drexel IV’s wife Jaqueline Astor also a member; descends from John J. Astor (1763-1848) remembered as “Landlord of New York” and main domestic power in the second United States Bank (1816-1836); Drexel IV chasing world seafloor mineral wealth (incalculable) via Woods Hole Oceanographic Institution; Robert V. Lindsay of J.P. Morgan & Company, brother of New York City mayor Lindsay; chairman of Foreign Policy Association; boards included Fluor Corporation; member International Monetary Conference; chairman of Guggenheim Foundation; a founding financier of the subversive Cold
Spring Harbor Laboratory (vaccines); trustee of the bogus American Society for Prevention of Cruelty to Animals (fraud in fundraising); Dutch ancestry; Walter Curley was Ambassador to Ireland and to France; wrote two books on Royalty; string puller in Ireland-United States Council; partner in John Hay Whitney & Company (earlier Pilgrims official); director Fiduciary Trust International; New York Life Insurance; Crane Company; Guinness Aviation; Independent Newspapers Ireland; Fairchild Camera & Instrument; American Exploration Company; Sotheby’s International Auctions; New Yorker Magazine; Paribas Bank Paris. Kean was New Jersey Governor (1982-1990); replaced Pilgrims member Henry Kissinger as chairman of the 911 Commission (another type of Warren Commission coverup); advisor to Terror Free Tomorrow, One America Initiative and Partnership for a Secure America; trustee Robert W. Johnson Foundation; member Bretton Woods Committee (opposed to monetary silver); trustee Carnegie Corporation; director Bell Atlantic; ARAMARK; Amerada Hess Petroleum; CIT Corporation; Franklin Templeton Investments; PepsiCo; United Health Group (major stock option ripoffs); president of Drew University; Roosevelt family relative; Dutch ancestry;

Thomas Leffingwell Pulling ancestry to J.P. Morgan & Company chief Russell Leffingwell (Pilgrims); Pulling a Citigroup Global exec; was treasurer of J.P. Morgan & Company 1962-1968; involved with the Roosevelt family
(Pilgrims); member CFR (other Pilgrims are CFR members, not much point in mentioning since The Pilgrims run the show, not the CFR); trustee Luce Foundation and Long Island University; Pulling seen brown-nosing Prince Philip, the world’s top eugenics advocate (wants to “come back as a deadly virus”); Sloane daughter of Herbert Brownell (Pilgrims) and United States Attorney General in Eisenhower administration; she heads the Dwight D. Eisenhower Foundation; director Inter-American Foundation; advisor to GHS Philanthropy Management; trustee Train Foundation (John Train another Pilgrims member); secretary, Friends of Mexican Development Foundation; Warner also a second generation member; multibillion deals in Russian petrochemical industry; Mayflower descendant; Episcopalian; current president of The Pilgrims USA; chairman of Public Resources International; Episcopalian; Order of Saint John of Jerusalem; former investment banker at Salomon Brothers and Merrill Lynch; married into Murphy fortune (Bethlehem Steel; Goodyear Tire; New York Railways); through a maze in the Hispanic Society of America (not for the small folks) Warner has linkage to the Collis P. Huntington fortune (deceased in 1900), Southern Pacific Railroad, gold magnate, Crime of 1873 who boasted “Whatever is not nailed down is mine! Whatever I can pry loose is not nailed down!” Warner’s daddy was exec in Belgian-American Bank and other finance entities.
Walter H. Brown was a partner in Brown Brothers Harriman & Company which bills itself as “America’s oldest and
largest private bank” and “the future of wealth since 1818” and represents over $4 trillion; Walter was instrumental in developing the bank's international banking business. For nearly four decades he represented Brown Brothers throughout the world in travels to Latin America, the Middle East, and Europe. “In recognition of Walter's efforts in Sweden and throughout Scandinavia, King Carl XVI Gustav of Sweden, with the recommendation of the Swedish American Chamber of Commerce, bestowed on Walter The Royal Order of the North Star in 1987. Brown has held positions as Vice Chairman of the Swedish-American Chamber of Commerce, Trustee of the American-Scandinavian Foundation, Director of Westvaco Corporation, and was a member of the Colombian American Chamber of Commerce, New York Chamber of Commerce and Industry, and the Bankers Association for Foreign Trade. More recently he was a Director of the Norwegian American Chamber of Commerce.” Walter? Any cocaine? Any emeralds? Brown University in Providence Rhode Island bears his family name. Dillon was a second generation member; he chaired the Rockefeller Foundation; director Chase Manhattan Bank; daughter married into Luxembourg royalty; as Treasury Secretary 1961-1965 led the campaign to end Constitutional silver coinage; Espy was an MD ophthalmologist at New York Presbyterian Hospital and on the faculty at Columbia University; wife became a trustee of New York Presbyterian Hospital; how much would a
blind person’s family pay when an optic nerve or retinal sight restoration procedure becomes available?

Gerard descends from a significant holder of the Anaconda Copper Mine fortune and warmongering Ambassador to Germany 1913-1917, James Watson Gerard (Pilgrims Society); the original Gerard involved with Astors (Pilgrims Society) and Vanderbilts (Pilgrims Society) and Van Cortlandts (Pilgrims Society); the current Gerard is in view brown-nosing Royal Crown Prince Philip, patron of The Pilgrims Society; involved with Tocqueville Asset Management; Tocqueville Trust; managing director of DeVisscher & Company and Hycroft Advisors; active primarily in Italy, Switzerland, Germany and France.” Multiple other members of his family Pilgrims members; involved with Chemical Bank. This current Gerard is with North Sea Partners investment bank and has ties to the Rothschilds; historically interesting as the Rothschilds were forced to pay the price demanded by early member James B. Haggin for Anaconda stock, after Haggin raised the price five times, and Haggin still retained control leaving the Rothschilds punked out and humiliated; Richard Ingram Purnell was an insurance magnate in Johnson & Higgins “one of the largest insurance brokerages in the world” with 8,400 employees; Van Den Heuvel, openly loyal to the British Empire (“Commonwealth”) married into the MCA, Music Corporation of America fortune; director Allen & Company, entertainment industry investment bank; North Aegean
Petroleum and other varied interests; Weinberger was treasurer of the Protestant Episcopal Diocese of California; as Defense Secretary, he bled the Strategic Silver Stockpile for 24,435,000 ounces for price management objectives, helping destructive short sellers, screwing miners and defrauding taxpayers. He was involved with construction colossus Bechtel Corporation and the Forbes brothers, Steve and Christopher---both Pilgrims members like their daddy---made Caspar the spooky ghost chairman of Forbes Magazine.

"HERE AND EVERYWHERE" (INFLUENCE & HOLDINGS)
“Whatsoever you have spoken in darkness
Shall be heard in the light” ---Luke 12:3

Now we move on with the review of excerpts of the leaked speech to The Pilgrims NYC in 2001 by the Deputy Secretary General of the United Nations---note---official Pilgrims Society panel members included Colorado gold mining heir Joseph Verner Reed Jr., then Under Secretary General of the United Nations and Robin Chandler Duke (widow of Angier Biddle Duke---Duke Endowment; Duke Energy; Duke University; American Tobacco Company; R.C.D. director defense contracting giant Rockwell International and population reduction advocate; Biddle name traces to Nicholas Biddle, president of the second United States Bank in the 1830s, forerunner of the Federal Reserve System) ---(page 19) ---

The English-Speaking Union is another outer ring around The Pilgrims, and definitely less elite than the CFR. Twenty-three members of The Pilgrims were listed in the
necrology including major gold and silver price antagonist William E. Simon who was Treasury Secretary and top man on the COMEX governing board when the Hunt-Arab silver play was scuttled in January 1980. Notice again in the above, The Pilgrims elevate the British Sovereign or Monarch over the United States President, as demonstrated in the order of toasts! These USA Pilgrims members are all British loyalists! Ted Turner, cable TV magnate, has still not appeared in any roster of The Pilgrims; gaps exist as of 2002 inclusive through 2013 and 2015 to the present; sometimes members don’t remain members till their death; the latest Pilgrims roster David Rockefeller was in was 1995 (I don’t have 1996 through 2000); when a member vacates a slot due to advancing age, it doesn’t signify any departure with The Society’s objectives; and still other men never get admitted, yet their fortune goes towards Pilgrims goals—-(page 20) ---Rocky had reps in The Pilgrims carrying forward his objectives while he was wheelchair bound—-

The business of the annual meeting being completed, and with the gratitude to our guest of honor for her patience as we plowed our way through these proceedings, I shall now introduce said guest of honor, the Honorable Louise Fréchette. When Ted Turner committed a billion dollars to the UN, one of the by-products of his largesse was Louise Fréchette, the new Deputy Secretary General of the UN. This is because she has been appointed the

I have no info on Ted Turner being a member. He may be as of 2015 or later; Turner is New Mexico’s largest landowner. Two Pilgrims Members, Barron Collier and Henry H. Flagler, were the two
Advisory Board Chairman of the group which handles relations with the foundation set up by Turner. And not only that, she has been charged with the coherence of the United Nations activities – something I’m sure Ted Turner and all of us will cheer, including in particular, my friend Dick Holbrook, the former American Ambassador to the UN who gave a talk that I heard just the other day about many things including the UN whose reform he said is far from finished, but which is making progress. To this end, Deputy Secretary General Fréchette chairs the Steering Committee on Reform and Management Policy. Of course in addition to that, she assists the Secretary General in the full range of his responsibilities and often represents the UN at conferences and official functions. Madame Fréchette joined Canada’s Department of External Affairs 30 years ago, serving in its Athens Embassy, then in its European Affairs

Enough of her credentials; (page 22)
---globalism is the obsession---

The vision for the 21st century enshrined in the millennium declaration reflects the far-reaching changes that occurred in the last decade of the 20th century. The radical transformation of the geopolitical environment, the accelerated globalization of the economy, the information revolution and the burgeoning presence of non-governmental organizations and other non-state actors have all had a major impact on the role of the United Nations and the way it operates. In the area of peace-keeping for example, the United Nations has had to conduct a new type of operations. Missions in decades past were most likely to involve positioning a neutral force along a cease-fire line to monitor the situation. The new missions are far more complex, and typically involve not only the establishment of minimum security conditions by military contingents, but also such tasks as the holding of elections, the disarming of combatants, the repatriation of refugees, and the revival of the economy. In the
“individual states (countries) cannot manage such issues on their Own” means World Government (under the British as always) ---

Today, the topics of concern to people around the world are largely related to the phenomenon of globalization, which is making economies and societies more interdependent than ever. The widening gap between rich countries and poor countries, population movements, illicit trafficking in arms and drugs, climate change, the spread of disease – these are all topics on the agenda of the United Nations, since it is now accepted that individual states cannot manage such issues on their own. Increasingly, non-governmental organizations, scientists, scholars, and business leaders, are contributing to the debates.

We have long been working with non-governmental organizations in

(Page 25) ---

The new United Nations that I have been talking about today can be seen in action to its response to the Aids epidemic. At this very moment, the Secretary General is in Nigeria, attending an African Summit on infectious diseases, where tomorrow he will make a major speech setting out the priorities that must guide all of us in the battle against HIV-Aids. African presidents and prime ministers, the United Nations partners and others involved are meeting because Aids is having its worst effect in Africa. But Aids is a global problem, as experienced elsewhere, as already demonstrated, and as the rapidly widening impact of the disease in South Asia and Eastern Europe will attest. That is why in June the General Assembly will hold a special session on this subject. The Secretary General, for his part, has been trying to raise the profile of the issue in both the developing and the developed world. The new United Nations can be seen here through the involvement of major non-state actors. Among these are the major pharmaceutical companies whose products and research are

“Major pharmaceutical companies” are of course represented in The Pilgrims Society.
This we shall absolutely demonstrate as we progress.

(Page 26) ---Here comes “Universal Compulsory 666 Vaccines” Bill Gates---

From “The Last Generation” 1972 by Jack Chick, Shows a government sponsored “healer” Bringing vaccines to the community & Having children denounce parents To tyrannical state agencies---
As of the most recently dated list (2014) Bill Gates is not listed in either the New York or the London Pilgrims Society. Four years after this secret 2001 Meeting of The Pilgrims USA (it sure was a meeting unknown to the public) Gates was tapped by the Royal Patron of The Pilgrims, Queen Elizabeth II, to be a member of the Order of the British Empire, which is the “visible” Counterpart to The Pilgrims Society. Since the 2014 roster major silver & gold antagonist Paul Volcker of the Federal Reserve and John Whitehead of Goldman Sachs and a liaison between the Mellon and Rockefeller fortunes have passed away. I speculate that Gates, Jeff Bezos, Warren Buffett and top gun grabber Mike Bloomberg (Order of the British Empire also) may have been tapped by the Royal family to fill those vacancies on The Pilgrims executive committee and/or its vice presidents panel---

“British interests” included having 45 million opium addicts Across China, which led to two Opium Wars--the British are the original BIG PHARMA from the
1700s and 1800s! ---8 years later in 2013, Melinda Gates became a Dame of the Order of the British Empire! In 2006 Melinda Gates received the Order of the Aztec Eagle of Mexico, presumably for conducting some subversion south of the border! That particular Order has been awarded to various Pilgrims Society members across the years! Prince Philip, Prince Andrew and Prince Richard received it---and David Rockefeller too (“Who’s Who in America” 2005, page 3942 on Rocky).
In accepting this, Gates urinated on our Revolutionary War Patriots! Bill wants YOU under SURVEILLANCE!!!

Vaccine Development and Surveillance - Gates Foundation

Researchers collaborate as part of a team focused on improving vaccines for malaria, HIV and tuberculosis. Our Goal: Advance public goods for global health...

(Page 26 reaffirms The Pilgrims are pursuing World Government) ---
Ladies and gentlemen, in the era of globalization and accelerating interdependence, the world needs a more effective United Nations. Despite its shortcomings, the UN still embodies our hopes for a just and peaceful world. No part of the world today can afford to ignore the problems affecting other regions, even the most remote. Human solidarity is not merely a moral imperative. It serves the long term interests of all. I hope I have shown you that the UN is a dynamic organization, closely attuned to the realities of the new century. And I hope as we move ahead that we will be able to count on your commitment and on your support. I thank you very much for your attention.

[Applause]

PRESIDENT LUCE: Thank you Mme. Fréchette. Mme. Fréchette has indicated a willingness to respond to questions.

(Page 27 following is of note; As of 1971, Pilgrims Society member Robert Huntington Knight of 53 Wall Street was a member of INTELSAT, the International Satellite Arbitration Panel; during 1977-1983, Knight chaired the Federal Reserve Bank of New York; he was another Episcopalian, a fact without meaning to stupid Jew-baiters who “think” Jews are running the FED (Bernanke and Yellen were figureheads only); Knight was a director of the important Pilgrims satellite, the Council on Foreign Relations, which has many Pharma directors and execs. Since “Cathy Money Fitts” the proprietor of the “Sunburn Report” has had big things to say about space, where was her scoop on The Pilgrims Society & space? She makes “command decisions” as she stated in several You Tube interviews. She is POORLY informed and was mere window dressing at Dillon Read and can’t tell anyone who the Pilgrims members in Dillon Read were because she is too anemically informed to know! (Dillon, Dillon, Draper, Brandi, Eberstadt, Donovan, Ecker and a few others). As NYFED chairman Knight played a meaningful role in
wrecking the Hunt/Arab silver play! Ref on Knight---1980 “Who’s Who in America” page 1868; herewith page 27 of The Pilgrims 2001 annual meeting---

QUESTION: Mme. Secretary, will you comment please on the United Nations committee on who should use outer space, and particularly on the very important treaty which contributed so much to world peace.

MME. F: I think most members of the UN view this treaty as an important development in the arsenal — if I may put it this way — of instruments that the international community can use to prevent the proliferation of weapons. This is (I’m not sure that I can say that much more) viewed, I think, by most members as a very important piece of a bigger puzzle, which has to do with stopping the proliferation of weapons of mass destruction, of achieving gradual disarmament and so on.

PRESIDENT LUCE: Well thank you very much. [Applause] I’m sure we all appreciate her enlightening report and her exposition of the inner

Of note from page 28 and see following image---

I now have the privilege of taking advantage of a tradition of the Union League Club which is to present our Honoree with a bust of Abraham Lincoln. [Applause]. We do this with thanks to our Pilgrim Colleague and member of this club, Chuck Windsor. The bust of Lincoln by Leo Cherne owes its inspiration to the last photograph of the President, taken by Alexander Gardner on April 10, 1865, four days before Lincoln’s death. Leo Cherne was a successful businessman and philanthropist whose portraits in bronze appear in several international collections. Carl Sandberg called Cherne’s Lincoln, “A superbly keen sculpture. It is the best representative of classic art of shaping of Lincoln that I have met.” Cherne made four original casts of his Lincoln in 1956. At present, one of them is in the White House, one belongs to the

The Pilgrims sure have a fascination with Lincoln and his assassination. Regardless that they had no formal existence in 1865, they in fact had an informal network across the Atlantic Ocean tracing back into the 1600s with the Ancient Heraldic and Chivalric Order of Albion (which is fairly negligible today). We see that The Pilgrims Society has keen interest in Big Pharma, Bill Gates, Gates Foundation, and vaccines! We’ll review only two Pilgrims members who had deep linkage into the White House (one is still “in” currently!) Afterwards we’ll review a few other members to help complete this introductory overview of The Pilgrims Society and their intentions to use Government power at national, state and local level to compel 330 million Americans to take Big Pharma’s vaccines! In no way do the details contained herein exhaust what could be presented.

PHARMA MAGNATES & PILGRIMS SOCIETY MEMBERS HOVERING OVER PRESIDENTS OBJECTIVE---SEIZING $$$$$$$ BILLIONS!
CASE #1 “UNCLE” ELMER HOLMES BOBST
Two examples will suffice as making the presentation overly long will defeat mass readership. This two-part series is briefer than some books on vaccines; has penetrating info not found in any other info source on vaccines; and is **FREE ACCESS!** Afterwards we’ll review several Pilgrims Society members on the boards of major vaccine manufacturers including Johnson & Johnson and Novartis at this moment and additional history. The first example is that of Warner-Lambert Pharmaceutical kingpin Elmer Holmes Bobst (1884-1978, The Pilgrims 1969 & 1974 NYC rosters) and “Tricky Dick” Nixon who told the nation “I am not a crook” ---

From “Nixon---The Man Behind the Mask” by Gary Allen (Western Islands Publishers 1971). I obtained my first roster of The Pilgrims dated 1969 from ’76 Press at Seal Beach California (no longer in operation) which published some of Gary Allen’s most insightful research---
"We Are Not Going To Be Outbid"

The deal was reportedly arranged by Nixon’s old friend, Elmer Bobst, of Warner Lambert Pharmaceutical Co. The firm did not seek Nixon. Nixon moved into Nelson Rockefeller’s apartment building at 810 Fifth Avenue, into the same apartment where Nixon and Rockefeller had arranged the infamous “Compact of Fifth Avenue” in 1960. After Rockefeller re-married he had moved into an apartment on the other side of the building. Thus, all during Nixon’s stay in New York he and Rocky were neighbors.\(^\text{29}\) It does seem unusual that one would buy an apartment from and become a neighbor of someone who is supposed to be one’s political arch-enemy. Just how this, and Nixon’s joining a New York law firm, fit in with his consenting to be Rocky’s hatchet man against Joe Shell, we cannot tell. Those who know the story behind this story are not talking, and it is a line of questioning that most reporters do not care to follow.

While Nixon’s job with Mudge, Rose, Guthrie, Alexander and Mitchell was reputedly arranged by Elmer Bobst and not Rockefeller, the Mitchell of the firm was John Mitchell, now the Attorney General, who was Rockefeller’s personal attorney. Furthermore, columnist Leonard Lyons, on September 6, 1968, reported that the firm handles much of Chase Manhattan’s (Rockefeller’s) trust business. Bobst is listed as a member of the highly secret Pilgrim Society, which is even closer to the inner circle of the conspiracy than the CFR.

When Nixon left Washington, he reportedly had little more than an old Oldsmobile automobile, Pat’s respectable Republican cloth coat, and a government pension. While in law practice Nixon had an income of $200,000 per year, of which more than half went to pay for the apartment in Rocky’s building. By 1968, he reported his net worth as $515,830, while assigning a value of only $45,000 to his partnership in his increasingly flourishing law firm. Nixon
Nelson Rockefeller was also in The Pilgrims 1969 with Bobst. Just as so many simple minds holler “the Rothschilds own everything” (false) there are others who holler “the Rockefellers own everything” (also false). Many other characters are of MIGHTY importance! The world is too big to be owned only by two important families.

After his presidential defeat in 1960 and California defeat by Gov. Pat Brown in 1962, Nixon needed a lucrative job as an attorney that would afford him time for politics. Pepsi’s Don Kendall offered to let him handle the Pepsi account. Another friend, Warner-Lambert Pharmaceutical Corp. President Elmer Bobst, arranged a deal with his own law firm, Mudge, Stern, Baldwin and Todd, to hire Nixon as a full partner at $250,000 a year, with time off for politicking.

Later, in 1972, after Nixon had become president, PepsiCo wrangled an exclusive franchise to sell Pepsi to 200 million Russians. Additionally, Warner-Lambert’s application for a merger with Parke-Davis, originally turned down by the Justice Dept.’s antitrust division, was approved by former Nixon law partner Attorney General John Mitchell.

Elmer Holmes Bobst didn’t have much presence in “Who’s Who in America” volumes. There is no obligation to furnish any biographical information when a questionnaire is received. He was listed in the 1948-1949 edition, page 236--- (Bobst wasn’t a Pilgrims member as of 1948; how long Bobst was on their ultra-secretive waiting list is absolutely unknown) ---

The closest Pilgrims roster I have to the 1969 list (image below) is 1957 and Bobst at that time wasn’t yet a member; he could have been a member as early as 1958 or as late as January 1969. The same excerpt of three names appears in the 1974 list. Image following again shows the same trio with the addition of D. Dixon Boardman, apparently a relative but not a son. Billionaire DDB founded Optima Fund Management (multi-billions) in 1988. DDB is currently vice chairman of Forbes Family Trust (Forbes Magazine). DDB is currently associated with New York Presbyterian Hospital (vaccines) and Memorial Sloan Kettering Cancer Center (vaccines). Here’s Trump with Pilgrims Society hedge fund magnate Dixon Boardman---a matter of no interest to Alex Jones and

Bogert was a partner in Eastman Dillion Union Securities at 1 Chase Manhattan Plaza and married into the Wall Street Milbank family (Pilgrims Society; Borden “Milk Trust” and investment bankers; gold mining in Honduras; American Numismatic Society; Mayflower descendants; we’ll look at Milbank Memorial Fund regarding huge influence in “medicine” in Part Two) ---this is only to give a small sampling of other members with Bobst at the time in The Society---

Elmer Bobst had so many accolades and credits that it would become tedious to review all of them; we will limit it to some high points. Firstly, his father was a Lutheran. This denomination appears infrequently in Pilgrims rosters. However, it fits since The Pilgrims is a Royalist group; the Royals have been in conflict with the popes for many
centuries; and Lutheranism had its origins in a conflict with Papal doctrines. Bobst is said to have been a member of the Eucleian Society (founded in 1832) of New York University and allegedly folded in 1942. No university super-fraternity has more than 1% of the power of The Pilgrims Society, including the Skull & Bones of Yale. 2009 info insists the Eucleian Society is still active. There are numerous collegiate secret fraternities (Sphinx Head Society of Cornell, Raven Society of University of Virginia, numerous others) and none have any chance of ever becoming the top power group, including Bones. “The Brotherhood of the Bell” (1970) with Glenn Ford is remarkable and misleading as it implies a collegiate secret fraternity could be the top power group---none come close. Power is held by older men, and power transcends one mere university.

PHILOMATHEAN AND EUCLEIAN SOCIETIES

Bobst for many years held numerous positions in the American Cancer Society, as Pharma doctrine is adamant that there are no cures; that treatment must be very costly; that nothing outside orthodox medicine has any value. The cancer industry is enormous in size and revenue, and all major pharma giants are siphoning off exorbitant wealth from those who trust it. Just take artemisinin or lactoferrin for cancer, and lysine as an adjunct. Turn iron against cancer with free radical production in tumor cells (artemisinin), defeat cancer. Or
starve cancer of the iron it must have for runaway cell division (lactoferrin) and again you defeat cancer. Lysine shields organs against cancer metastasis. Vitamin B-17, Red Pill Expo, Edward “send in thousands of dollars” Griffin---don’t foul yourself up with these. Iron is the greatest vulnerability cancer has and attacking cancer in any other way is folly; forget about low oxygen, sugar, glycolysis, acid-alkaline, ketogenic; focus on iron, period because iron is cancer’s fuel more than anything else. Supplemental iron makes sense only if followed two hours later by artemisinin. As of May 1946 Bobst, was chairman of the executive committee of the American Cancer Society. Other members of The Pilgrims were active with Bobst in the ACS like Alfred P. Sloan Jr. of General Motors and William J. Donovan of the Office of Strategic Services, forerunner of the Central Intelligence Agency---still later Ralph Reed chairman of AMEX and member of The Pilgrims, entered ACS as a trustee---
Bobst, Warner Lambert and other companies Bobst was involved with have been mentioned over the years in---

https://en.wikipedia.org/wiki/Elmer_Holmes_Bobst

“Bobst became manager and treasurer of the Hoffman LaRoche Chemical Works in 1920. When Bobst retired from the company in 1944, he was one of the nation's highest paid corporate executives. In 1945 he took charge of the ailing William Warner Company, later Warner-Lambert and was remained board chairman. Bobst had close connections to President Dwight Eisenhower, and was also a close friend of President Richard Nixon contributing
generously to their campaigns and helping to guide Nixon's career. The Nixons joined Bobst and his two granddaughters Anne and Stephanie for many visits to Spring Lake, New Jersey. In 1968, Bobst became a White House advisor on health issues. Philanthropic pursuits were also important to Bobst, particularly cancer research and education. Bobst had one son Elmer Walton Bobst (d. 1964) with his wife of 50 years, Ethel Rose Bobst (d. 1954). His son, E. Walton Bobst, former president of Bobst Pharmaceutical, his daughter Stephanie Bobst Vanden Heuvel, of the same old Dutch family as William Van Den Heuvel on The Pilgrims executive committee today. In April 1961 Bobst married Mamdouha As-Sayyid, who was a member of the Lebanese delegation to the United Nations, and decades his junior. He bought her many fine jewels, including a diamond tiara formerly the property of Queen Geraldine of Albania. In 1988, Mamdouha Bobst donated the records and personal effects of her late husband to the Fales Library at New York University. Mamdouha Bobst died in 2015. Elmer Holmes Bobst was also known as an anti-Semite, writing in a letter to Nixon, “Jews have troubled the world from the very beginning. If this beloved country of ours ever falls apart, the blame rightly should be attributed to the malicious action of Jews in complete control of our communications.”

Actually Bobst was close in with two Presidents wearing the Republican label. He’s better remembered for ties to Nixon, and that is when he was at his peak of power. In 1966 Bobst received the annual Albert Gallatin award from New York University. Gallatin was Treasury Secretary 1801 to 1814. Gallatin from a wealthy old Swiss family
favored the first and second United States Banks (central banks); his descendant Albert Gallatin, was Secretary of The Pilgrims USA 1921-1927. Notice Stephanie Van Den Heuvel---that is of the same family as William J. Van Den Heuvel on The Pilgrims NYC executive committee as of 2016, close friend of Nelson Rockefeller’s widow.

Regarding the statement by Bobst on the Jews and communications---he was right, and he was wrong. Lots of Jews in media, and lots of others in media. And as nearly always, the Episcopalians end up on top. There indeed were some Jewish members of The Pilgrims in the 1969 and 1974 lists---John M. Schiff (his son converted to Episcopal Church and is on The Pilgrims executive committee now); John L. Loeb Jr.; Maxwell M. Rabb, who became Ambassador to Italy; several others. Walter Annenberg of TV Guide, Pilgrims Society, was Jewish and also a Nixon mentor. Pro-Israel bias becomes obvious, but bear in mind that is only Anglican England’s unruly stepchild set up as excuse for another Pilgrims Society World War! From The Pilgrims 1974 roster showing Nixon; Nisonger was a window dressing “pet” member there at the whim of others---he was a zero---Nimitz became associated with Texas Instruments; Perkin Elmer Corporation and Woods Hole Oceanographic Institution---

End of brief but worthwhile digression on the Brookings Institution, a top globalist think tank. As to Nixon, we must point out before focusing again on Elmer Bobst, that Nixon’s daughter Tricia in 1971 married Edward Cox, whose father, Howard Ellis Cox, was listed in The Pilgrims 1974. As of the 2014 Pilgrims roster, Edward Finch Cox was on The Pilgrims NYC executive committee. A letter on White House stationary dated March 24, 1969, shows Richard Nixon telling Hugh Bullock, president of The Pilgrims USA, that “I want you to know that I will be glad to accept your invitation and I greatly appreciate the privilege of serving as Honorary President of this distinguished organization.” (See page 141, “The Pilgrims of the United States,” short run book, 2003, Profile Books, London, ISBN number 1-86197-726-3). Note these crooked miscreants could easily have had their 2003 roster as an appendix in the book, and did not.
Then on August 15, 1971, Pilgrims Society Richard M. Nixon closed the “gold window” at Treasury so that foreign dollar holders could no longer convert dollars into hard gold. Known as the “Nixon Shock,” it was by orders of magnitude far weightier an event than Watergate, and it angered the French especially. Note that USA citizens had in fact been excluded from getting gold for dollars from Treasury since FDR entered office in spring 1933! We were on an international gold standard only with Americans treated as serfs. While this research centers on vaccines, there are other issues impinging on us all and these necessitate a modicum of mention inasmuch as these monumental menacing subversions all stem from The Pilgrims Society. Edward F. Cox has ancestry that is staggering! Included are Episcopalian Livingstons (Louisiana Purchase; this family intersects with more Pilgrims Society members in America than any other); the Finch in his name traces to the 1630 arrival in North
America of John Winthrop’s party; and the Episcopalian Delafields of Bank of America, who trace to Count De La Feld over 1200 years ago in France. Maturin Livingston Delafield was one of the most frightening Pilgrims Society members I’ve ever looked at---

Now we will bring Uncle Elmer into focus again. Bobst was for many years a New York University trustee. He donated the mega-millions for construction of the Bobst Library---his second wife seen here---

Bobst Library at New York University---
Also at New York University there is this named after his second wife who was with the Lebanese delegation to the UN and married Bobst in 1961. She became active in the American University in Beirut, Lebanon...
Mamdouha Bobst (deceased 2015) was a trustee of the New York University School of Medicine Foundation. Mrs. Elmer H. Bobst was also a trustee of New York University. Fellow trustees of NYU included John Brademas, president emeritus of NYU. Brademas was a member of The Pilgrims and as an Indiana Congressman, voted to pass the 1965 Coinage Act removing most silver from America’s money; Brademas chaired the Federal Reserve Bank of New York ("Who’s Who in the East” 2014 pages 148-149). Brademas was an associate of Pilgrims member David Rockefeller; a Texaco director; numerous other positions; Rhodes Scholar; and on the advisory board to New York University Medical Center in regard to “prevention of mental illness” (disagreement with Pilgrims Society objectives is a mental illness!)

“Elmer Bobst’s philanthropy included the Nixon Center, and at the dedication in 1995, Tricia Nixon Cox described the degree of personal warmth and mutual admiration that had long existed between the two families. She said that Elmer Bobst’s “intelligence, character, loyalty, patriotism, courage and generosity in many areas, including education and cancer research, made him an embodiment of the American dream. A mentor and father-figure to my father in all seasons since 1953, Elmer Bobst, or Uncle Elmer as Julie and I called him, was also a singular friend, who with his wife Mamdouha shared my father’s vision of a more just and peaceful world.”

In 1972 Nixon appointed Bobst to the National Cancer Advisory Board.
There is also the Bobst Foundation started in 1968. As of 2019 info it had $12 million in revenue and $41 million in assets. No way to know as to the figures as Ferdinand Lundberg of “The Rich and the Super Rich” (1968) noted that foundations often have “phenomenally valuable assets listed as being worth $1.” Even at $41 million, The Society sees a tidbit worth having. In addition to Wiki and Nixon Foundation, another source has things to add about Bobst---
In 1956-57, Bobst was a director-at-large of the American Cancer Society. He was a member of the ACS Executive Committee in 1945, and Vice Chairman from 1946-50; ACS National Campaign Chairman 1947-48 and its chairman from 1949-56; and Honorary Board Chairman of the ACS from 1951-55.
He was a director of the Tom Spies Committee for Clinical Research; a director and founder member of the U.S. Committee of the World Medical Education, as well as chairman of its Northern New Jersey Committee; a member of the Medical Advisory Committee of CARE; for five years a member of the Advisory Cancer Council of the National Cancer Institute; a member of the Advisory Council of Medical Research, University of Pennsylvania, medical, veterinary and dental schools; president and director of the Speech and Rehabilitation Institute in Lancaster; chairman of the Columbia University College of Pharmacy Development Program. He was honorary chairman of the Board of the Gustavus and Louise Pfeiffer Research Foundation.

Over a long period of years he continuously sponsored research in the field of drug products and contributed to the development of many important drugs and to the knowledge of how the human body reacts to them.
He was for many years very active in various phases of public service. During World War II, he was a member of several pharmaceutical and chemical committees in Washington and also the Committee on Penicillin Development. He was chairman of the War Bond Committee of New Jersey. He was a strong advocate of the Savings Bond Payroll Deduction Plan and largely responsible for the success in selling savings bonds to employees in New Jersey. In 1945, he was singled out for recognition by the United States Treasury and presented with a special citation by the Secretary of the Treasury. He received another citation and medal for his services in 1957.
He was a trustee of Rutgers College of Pharmacy, Franklin and Marshall College, and an associate trustee of the University of Pennsylvania. In 1951, Bobst received the degree of Doctor of Humane Letters from Franklin and Marshall College, and in 1957 the degree of Doctor of Science from Hahnemann Medical College and Hospital. In 1958, he received the honorary degree of LL.D. from Rider College, Trenton, N.J. and in 1959, an honorary Doctor of Science Degree from St. Louis College of Pharmacy & Allied Science. In 1960, the president of the Medical Society of the District of Columbia, in conjunction with the Washington Board of Trade, presented him with the 1960 Health Award in recognition of his contributions in the fields of medicine and education. In 1961, Bobst received the Henry Rusby Award from the Alumni Association of Columbia University College of Pharmacy. His contributions to the profession of pharmacy have been recognized in Canada where, in 1960, he was given the first Honorary Life Membership in the Canadian Foundation for the Advancement of Pharmacy and the “Man of the Year” award by the Independent Retail Druggists Association of Quebec, Canada. He received a degree, in absentia, from Chungang University, Seoul, Korea. Keeping a promise he made to the former President of Korea, Syngman Rhee, Bobst successfully undertook to develop a College of Pharmacy at the University of Chungang. Eight hundred students are enrolled there. Honors The degrees and honors bestowed on Bobst were countless and included; 1962 - the National Cancer Award. An honorary life member of the Society, he was recognized for his fundraising activities on behalf of the American Cancer Society.
Elmer Holmes Bobst, Pilgrims Society, was a force behind the founding of The World Medical Association. Naturally Big Pharma wants doctors to be PIMPS and PUSHERS for Pharma pills, capsules and vaccines---
The World Medical Association (WMA) is an international and independent confederation of free professional medical associations, therefore representing physicians worldwide. Mrs. Elmer Holmes Bobst was still on the Board of Overseers of Memorial Sloan-Kettering Cancer Center in 2002 and Pilgrims Society member James D. Robinson III (AMEX) was honorary co-chairman. Robinson III had also been chairman and director of obnoxious Pharma company Bristol Myers Squibb---more on this company and more on Robinson III in Part Two. In 2019 Bristol Myers Squibb acquired Celgene for $74 billion. Celgene was a spin off out of Celanese Corporation with a really frightening Pilgrims Society spook named John D. Macomber there as chairman who went to run the Export Import Bank; more on Macomber in Part Two.

In February 2016 I released “Donald Trump, Pilgrims Society Operative” (47 pages well documented) http://nosilvernationalization.org/187.pdf If you want to read it you’ll find significant additional info besides what I’ll present here. Donald Trump IS a globalist! He has a Rothschild associate (Wilbur Ross) as Commerce Secretary. Trump was a Vietnam War draft dodger and in 1995 was on a committee to celebrate the 50th anniversary of the United Nations. He’s been through several bankruptcy reorganizations, during which the finance community including Goldman Sachs could have opted to break Trump. Instead, they kept his realty empire going, and in return as President he gives them what they seek—more monumental bailouts and if he gets a second term, all the dumbed down, dim-witted “Make America Great Again” nitwit morons will see the full Trump revealed, with mandatory vaccines and dragging America into the Royal family’s British Commonwealth of Nations.

The real Trump MAGA motto will be on display as “Make America Globalized Aggressively.” His state of denial supporters including Alex Jones with his raspy gravel pit
voice (no threat to Andy Williams) and Dave Janda with his orange marmalade face only see the Trump they want to see. H

less toxic than the Democrat wing of The Pilgrims Society, and that is all. Trump was a director of the New York Police Athletic League, in the most anti Second Amendment city in America. With Trump on that power board was Ivan Obolensky, Pilgrims Society, descended from Russian royalty and an Astor family relative, and Trump associated with Brooke Astor, one of the few women members of The Pilgrims, and Brooke was VERY “tight” with David Rockefeller (Pilgrims Society 1948 to 1995 by available records). Trump selected (had chosen for him) Robert Wood Johnson IV as Ambassador to the United Kingdom. I can’t trace his Pilgrims membership back past 1995; still, that’s a quarter century. Known as Woody Johnson, he owns the New York Jets sports team, having picked that operation up for $635 million. More importantly, Woody (Pilgrims since 1995; maybe as early as 1991) is dominant shareholder in Pharma vaccine colossus Johnson & Johnson---

Gerard we discussed already. McCarter III was a member as of 1978 and may have been “in” by 1975; he appeared in the 1978 roster by Thomas McCance, Wolf’s Head Society of Yale and Brown Brothers Harriman private bank official at 59 Wall Street. McCarter’s grandfather was elected New Jersey Attorney General in 1902. Suzanne Pierson was McCarter III’s mother; the Piersons were big wheels in 1600s New Netherlands! McCarter III has been into offshore banking; land development; timber resources; natural gas and investment banking. In 1988 to 1992 he was a member of the Committee for the Preservation of the U.S. Treasury Building (page 2276 “Who’s Who in America” 1994). Van Den Heuvel married into the MCA, Music Corporation of America fortune; has holdings in Allen & Company investment bank; North Aegean Petroleum and other entities and is a notorious British Royal family loyalist. Wisner’s father was a CIA

Wisner was Ambassador to Zambia (1979-1982); Ambassador to Egypt (1986-1991); Ambassador to the Philippines (1991-1992) and Ambassador to India (1994-1997). Wisner was connected to ENRON (scandal) and American International Group (AIG) which is widely believed to have been massively short silver; Wisner has also been associated with Brookings Institution (vaccines); trustee of Rockefeller Brothers Fund; director United States/India Business Council. Henry Richmond Slack is a piece of work! Another Episcopalian, he represents the huge Oppenheimer fortune in gold, diamonds, platinum, chromium, cobalt, copper, which once had over 800,000 mining employees all over Africa. After converting to Protestant Christian Anglican Church of England, the Oppenheimers still couldn’t get admitted into either branch of The Pilgrims but through this proxy Henry Slack who ran Minorco and Engelhard gold and silver refiners for 25 years. Read about the Oppenheimers and Henry Slack in “Another Giant Mining Fortune Represented in The Pilgrims Society” (released in October 2014; 415 pages) at http://nosilvernationalization.org/197-1017.pdf Slack pays close to zero on a multimillion dollar New Jersey mansion and Paul Vartanian, Pilgrims Society, diamond dealer, is a neighbor. Henry Slack---apparently descended from Henry Slack, a functionary for King Henry V of England in the early 1400s---
Review of Reviews NYC, May 1902, pages 555-558 mentioned plans for The Pilgrims Society as detailed by Cecil Rhodes. What a way to effect “the seizure of the wealth necessary,” use government power at Federal State, County and Municipal level to forcibly compel 330 million USA residents to become pincushions for vaccines from Robert Wood Johnson IV, Bill Gates and other British Empire operators.

(Taxpayers will be looted to pay for vaccines that the smart ones among them do not want)   ---
Pharmaceutical giant Johnson & Johnson is partnering with the Biomedical Advanced Research and Development Authority of the U.S. Department of Health and Human Services to fund over $1 billion in COVID-19 vaccine and antiviral treatment research and development, the company said on Monday.

The partnership is an expansion of an existing agreement between BARDA and J&J’s Janssen Pharmaceutical Companies division.

With the agreement, the company is setting a goal of providing a global supply of more than one billion doses of the vaccine, which J&J expects to have in clinical trials by September 2020 at the latest. The first batches of the vaccine may be available for emergency use by early 2021, the company said.

[Link to the article](https://www.ns-healthcare.com/news/biggest-pharma-companies-brand-value-2020/)

In the Financial Times’ Global 500 rankings in 2019, Johnson & Johnson was also listed as one of the world’s most valuable companies, with 134,000 worldwide employees, 250 subsidiary businesses, and annual revenue of more than $80bn.

Steve and Christopher Forbes, second generation Pilgrims Society members, boost vaccines via their media operations. Christopher is on The Pilgrims executive committee, and Forbes gets advertising mega-millions from Pharma titans like Johnson & Johnson---You won’t see Steve Forbes wearing a pesky, breathing restrictive face mask---this man is not for sound money either---if you think he is, he has fooled you---

[Vaccines Are Critical To Public Health, And Are Cost](https://www.forbes.com/sites/joshuacohen/2019/05/06/)

Pilgrims Society members Forbes Senior, Christopher and Steve---mega-millions In Pharma advertising income! ---
Robert Wood Johnson IV, Pilgrims Society executive committee, is influential in the NIH, National Institutes of Health in Washington D.C., apparently for purposes of boosting his vaccine and pill and capsule Pharma business.
Johnson’s brothers died in “accidents” (??) in 1975 at ages 23 and 27 (reminds me of the Earl of Halifax---another member---with odd “events.”)

The Robert W. Johnson Foundation reports $11 billion in assets and average annual grants (to British Empire causes) of $11 billion. Highly placed flunky Richard Besser, formerly with ABC News and then with the CDC, Centers for Disease Control, was “tapped” by Pilgrims Society member Johnson to run the billions according to his Pilgrims Society whims---Tom Kean is a former Johnson Foundation trustee. Kean, a Roosevelt family relative, chaired the coverup 911 Commission and is a member of The Pilgrims Society involved with the scandalous United Health Group. Julian KEAN Roosevelt was a Pilgrims member and a high financier.
So-called “anti-globalist” Trump appointed Alex Azar (“Czar Azar”) to be Secretary of Health and Human Services. Azar was a Pharma lobbyist and an exec of Eli Lilly & Company, Biotechnology Innovation Organization and Healthcare Leadership Council. For ten months in 2018 Azar was on the Federal Commission on School Safety, which had nothing to say about psychiatric “medications” making students go berserk and launch killing rampages. “Czar Azar” was a board member of Healthcare Management Systems for two years. “He is currently on the board of the American Council on Germany” and guess what? Sponsors include Pfizer, Eli Lilly, Merck and Goldman Sachs. It was founded by John J. McCloy, Allied High Commissioner in Germany after WW2. McCloy became chairman of Chase Manhattan Bank, member of The Pilgrims Society, director of Squibb Pharma and trustee of the Salk Institute (vaccines), chairman of the Council on Foreign Relations and many more posts. McCloy’s son is in The Pilgrims 2014 and is a director of American Council on Germany with Pilgrims VP and vaccine advocate Henry Kissinger. You can also be certain the role of the ACG included interfering with and delaying German demands for return of gold stored in the NYFED! So Trump has a VACCINE FASCIST as head of the Department of Health & Human Services, which
oversees the Centers for Disease Control, which is aggressively targeting 330 million USA residents with multiple risky vaccines including those who do not wish to receive these! Still Alex Jones and Dave Janda with their child’s bubble gum and lollipop minds cannot see anything globalist about Trump!

Apr 20, 2020 - The Duke of Edinburgh made a rare statement during his retirement as he thanked those working for a vaccine.

Trump signs $8.3 billion coronavirus package

WASHINGTON, DC – President Trump on Friday signed the bill providing $8.3 billion in emergency supplemental funding to combat the coronavirus outbreak.

Trump was originally expected to sign the bill at CDC headquarters in Atlanta, Ga., on Friday but abruptly cancelled his trip there, telling reporters Friday morning that the trip was cancelled because of a suspected coronavirus case at the CDC itself but that it turned out to be negative.

The House and Senate passed the funding measure in overwhelming bipartisan votes on Wednesday and Thursday, respectively, sending the bill to the president’s desk.

Trump’s signing of the bill on Friday capped a week of intense negotiations on Capitol Hill to secure a deal on the funding and rapidly pass the legislation in both chambers.

The bill includes $3 billion in new money to speed the research and development of vaccines, therapeutics and diagnostics.

The Foundation for Vaccine Research applauds the Congressional leadership and strong bipartisan support for this supplemental bill and the speed with which it was approved.

“I Justin Trudeau do swear that I will be faithful and bear true allegiance to Her Majesty Queen Elizabeth the Second, Queen of Canada, Her Heirs and Successors, so help me God.”

This is the same Justin Trudeau on a warpath to take so many firearms away from Canadians. The Royals and their henchmen in The Pilgrims Society, Order of the British Empire, Rhodes Scholars, Royal Commonwealth Society, Royal Society of Canada, Howe Institute, Canadian Association of New York et al, want Canadians disarmed and doped up from Pharma “medications” and brain damaged from vaccines and monitor chipped so as to literally reduce them to serfdom! Queen Elizabeth II Diamond Jubilee Medal---Trudeau holds this award. Trudeau is of course French; the province of Quebec Canada is French dominant; many residents refuse to speak other than French; so Trudeau sold out his own hereditary constituents---eight and one half million of

On March 20, David Rockefeller died at the age of 101. As the obituaries for one of the world’s richest men gush over his philanthropy, it needs to be pointed out that he was a major player in several Latin American coups, supported extremely corrupt military dictatorships, post-dictatorship neoliberal policies that greatly exacerbated income stratification and poverty and that his dark legacy will continue to influence the region long after his death.

From The Pilgrims NYC 1974 roster---
Kissinger, The Hon. Henry A. (Secretary of State)
Kleindienst, The Hon. Richard G.
Knight, Robert Huntington
Knowles, John Ellis
Korée, Jean Ulyxes

Knight was general counsel to Treasury Department during The war on silver coinage---

Kleindienst was United States Attorney General in the Nixon administration. His name was mentioned countless times in connection to the Watergate scandal and
investigation; including a perjury charge. I haven’t found **ANYWHERE** he, Nixon or anyone else connected to that situation including Maurice Stans (Pilgrims) was **EVER** mentioned as to being in The Pilgrims Society! Knight as we saw earlier was chairman of the Federal Reserve Bank of New York during the destruction of the Hunt brothers silver venture with Arab partners. Knowles inherited an **oceanic** shipping fortune in Marine Transport Lines of New York City. He was prominent in the world maritime shipping industry and pioneered the development of chemical and LPG gas tanker design and fleet operation. Koree was most unusual as if having vampire genetics. The 1974 “Who’s Who in America” page 1746 shows he was a Knight Templar Mason; member Order of the Red Cross of Constantine; Knight Grand Cross of Charlemagne; Knight of the Crown of Rumania; National Institute of Social Sciences (eugenics); president Development Finance Corporation; president Glycerin Corporation of America; founder Museum of the City of New York; “inventor numerous improvements on automatic firearms, airplanes, airplane equipment, other mechanical devices; invented and patented therapeutic preparations for intramuscular or subcutaneous injection and methods of making same. Office: Bar Building 36 West 44th Street New York.” Koree held **interest** in submachinegun patents, though less so than an earlier Pilgrims member, wealth grabber Thomas Fortune Ryan. The Vaccine Fascists may get the idea to compel us to take vaccines by machinegun coercion!

The Gates Foundation Trust, separate from but twin of Gates Foundation, has **three** trustees; Bill and his harridan witch wife Melinda; and Warren Buffet. Notably, years ago Gates and Buffett both invested in the silver market---Gates in Pan American Silver, and Buffet by buying through his Berkshire Hathaway holding company, some 3,500 tons of hard silver, which later was divested of for a tidy profit. However! Neither Gates nor Buffet remained long term investors in silver, and Buffet has spoken ill of gold. That however may be for public consumption only, as elitists often take positions in investments they publicly
disparage---in order that the small folks, whom they so despise, won’t benefit by riding on coattails actions. Buffett stated he intends to leave 99% of his wealth to the Gates Foundation; meaning---to causes approved by their mutual bosses---the English Royal family! We hear so much about Bill Gates, but Warren Buffet is also a whale, and agrees with Gates on goals, else he’d not be leaving billions to the Gates Foundation---Add Warren Buffett to the list of Vaccine Fascists---

At right see likeness Gates has with daughter of famed horror actor Vincent Price!

The New York meeting of billionaires Bill Gates, Warren Buffett, David Rockefeller, Eli Broad, George Soros, Ted Turner, Oprah, Michael Bloomberg and others was described by the *Chronicle of Philanthropy* as an informal gathering aimed at encouraging philanthropy. Just a few billionaires getting together for drinks and dinner and a friendly chat about how to promote charitable giving.

There was no agenda, we were told. And no plan for a follow-up meeting.

But in an age of fallen wealth idols, it was inevitable that a meeting of billionaire minds would draw scrutiny. Surely all that money and power in one room had to spell trouble for the rest of us.

An article in the Times of London, headlined “Billionaire Club in Bid to Curb World Population,” said the issues discussed in the top-secret meeting included health care, education and—by far the most controversial—slowing the global population growth.

In 1943 Canadian psychiatrist (UGH) Brock Chisholm became a member of the Order of the British Empire (“Who’s Who in America” 1970, pages 398-399). He was president of the Canadian National Committee for Mental “Hygiene.” Mental “hygiene” was altered to “mental health” as if to indicate that “progress in science” was being made. Chisholm was a member of the American Psychiatric Association, who still uses an image of Benjamin Rush, “father of American psychiatry” in its journal. In 1793 Rush was forced out of the Philadelphia College of Physicians for being too controversial; when what should have been done, was to razor him to ribbons like he did to around 300 people whom he bled out to “treat illnesses.” His yard was so blood drenched it was a breeding ground for tens of thousands of flies. After ten or twelve “patients” died from being bled, did Rush figure out “this isn’t the answer?” NO, he continued assassinating people! Rush, pervert, got HARD ON being a KILLER! About 30 other victims Rush murdered with calomel (mercury poisoning) and Rush declared Blacks skin color was caused by disease. Anyone using a scientific method to treat illness does not adhere to a method which demonstrates dozens of consecutive failures! Rush then, not anyone else, was the most prolific mass murderer in American history, and Rush is the hero of USA psychiatrists, who will pronounce as “disordered” all who question vaccines, all who protest, all business owners who remain open, and anyone who distrusts Bill Gates and his pack of rabid cohorts. Brock Chisholm was the first Director General of the World Health Organization in 1948! He was a vice president of the World Association of World Federalists. Now, can’t you discern what is
written so large across the sky? “Globalism” is the new term for “BRITISH EMPIRE,” and the Royals stand at the top of this Empire---not Bill Gates! The Pilgrims NYC 1969 has the name Boudinot Phelps Atterbury; Rush had ancestry to the Boudinot line, and members of the Whig Party (favoring a central bank) and the Rush descendants intersected by marriage with the family of Nicholas Biddle, head of the thieving Second United States Bank!

“Microsoft co-founder Bill Gates will launch human-implantable capsules that have “digital certificates” which can show who has been tested for the coronavirus and who has been vaccinated against it. The 64 year old tech mogul and currently the second richest person in the world, revealed this yesterday during a Reddit ‘Ask Me Anything’ session while answering questions on the COVID-19 Coronavirus Pandemic. Gates was responding to a question on how businesses will be able to operate while maintaining social distancing, and said that, “Eventually we will have some digital certificates to show who has recovered or been tested recently or when we have a vaccine who has received it.”

“The “digital certificates” Gates was referring to are human-implantable ‘QUANTUM-DOT TATTOOS’ that researchers at MIT and Rice University are working on as a way to hold vaccination records. It was last year in December when scientists from the two universities revealed that they were working on these quantum-dot tattoos after Bill Gates approached them about solving the problem of identifying those who have not been vaccinated. The quantum-dot tattoos involve applying dissolvable sugar-based microneedles that contain a vaccine and fluorescent copper-based ‘quantum dots’
embedded inside biocompatible, micron-scale capsules. After the micro-needles dissolve under the skin, they leave the encapsulated quantum dots whose patterns can be read to identify the vaccine that was administered.”

Gates investment in Pfizer appears to be expressed by way of board member https://www.pfizer.com/people/leadership/board-of-directors/susan_desmond-hellmann-md-mph Susan Desmond Hellman MD (“Master of Deviltry”) as for Gates to physically appear on the Pfizer board would be outrageous enough to incite several million more serfs whom Lord Bill intends to rule over by way of government coerced vaccines. How many members of Congress, Governors, reporters, big city mayors and county judges have taken bribes from the Gates Foundation and/or other Pharma cartels? Have boxes of nontraceable cash been disbursed?

Much has been said of the Gates Foundation partially funding the Pirbright Institute and the Corona virus. Pirbright Manor traces back to the 1200s and has had numerous Royal connections over the centuries. The Town of Pirbright in Surrey England today has around 4,000 residents. Pirbright Institute is also funded by a British government agency, the Biotechnology & Biological Sciences Research Council. The first (and only) Baron Pirbright (1840-1903, can’t show he was in The Pilgrims) had as his maternal great grandfather Mayer Amschel Rothschild (1744-1812), founder of the Rothschild finance interests! Baron Pirbright in 1888 was appointed to the Privy Council to Queen Victoria. Rumors exist that when Victoria died, high Empire officials from all over the world had organizational meetings in London which led to the founding of The Pilgrims in London in June 1902; probably correct.

IS BILL GATES REALLY ON TOP?  
OR FRONTING FOR WINDSORS AND ROCKEFELLERS?

https://www.gavi.org/operating-model/gavi-secretariat/seth-berkley shows a Seth Berkley heading “GAVI” and in 1998 to 1994 Berkley was a hack for the Rockefeller Foundation. The Rockefeller Foundation’s assets are described as just a significant fraction of the Gates Foundation. The Rockefellers are described in Fortune and Forbes lists as still collectively worth several billion, but nowhere near the colossal titans they once were. Meantime, new rich epitomized by Bill Gates are advertised as being on top of the heap as to wealth and power. I say different; that Gates demonstrates evident
allegiance to the British Royal family, the Windsors, and his having “talent” (evil geniuses) from the older Rockefeller interests, strongly suggests that Gates is just a front man for Greater Powers, albeit a very potent front man. Emanuel Josephson in “Rockefeller Internationalist--the Man Who Misrules the World (1952)” remarked, “It is doubtful if there exists enough money in the world to make their wealth liquid.” GAVI, Global Alliance for Vaccines & Immunization, is a major “charity” (???) of the Gates Foundation---and is “tight” with the World Health Organization---

Is Bill Gates just a Rockefeller family front man? Bill’s OBE award shows he’s a Royal hit man!
"It's how we wanted it! We want people to believe new rich surpassed us! That's the Pilgrims Society way—keep things as deep & dark secrets!! The Rockefeller University is happy to be in on the drive to impose 100% vaccinations on small folks coast to coast! Thank you Gates for your sharp son!!"
The author noted a “Rockefeller Soviet Axis” which did exist; the Rockefellers and other members of The Pilgrims literally created Soviet Russia; but Josephson was nearsighted about the Rockefeller-British Axis! Lots of Rhodes Scholars have been placed in Rockefeller enterprises, including at the helm of the Rockefeller Foundation (Secretary of State Dean Rusk for ex!) As for
the Queen, the Royals, and the next British Sovereign, which will be a King? The Royals have had a big “cut” out of all the wealth the British Empire sucked out of Planet Earth going back centuries. It all ended in the City of London becoming the “centre” of 24-hour international banking time. The Royals are vastly wealthier, and enormously more powerful, than establishment sources portray them to be; the Royals want minimization in the public view of themselves! In 1948 Josephson authored--

THE HUMPERT "FENESTRATION" OPERATION FOR DEAFNESS—
MAYHEM AND HUMAN EXPERIMENTATION

BILL GATES HERITAGE OF
William Henry Gates Senior, Bill’s most unholy progenitor, has long been in population reduction and control advocacy. He was a practicing attorney for many years and the successor law firm in operation currently still has the Gates name and it represents the profane galaxy of pharmaceutical companies in court.

The American Birth Control League founded in 1921 was renamed Planned Parenthood in 1942. Margaret Sanger was the founder in 1921 and she was a member of the American Eugenics Society. From 1923 onward for many years Sanger received money from John D. Rockefeller Jr. (Pilgrims Society).
The American Eugenics Society (AES) was established in 1922, as a result of the Second International Conference on Eugenics that took place in New York in 1921 (Curators, 2012). Founding members include Madison Grant (Yale 1887), Harry H. Laughlin (fought for compulsory sterilization laws), Irving Fisher, Henry Fairfield Osborn (Pilgrims Society), and Henry Crampton. Prominent members and sponsors include J.P. Morgan, Jr., (Pilgrims Society) Mrs. Mary Duke Biddle (Pilgrims Society represented), Margaret Sanger, and John H. Kellogg.

Kellogg, of the breakfast cereal fortune, was his own type of outrageously profound sex pervert. Fisher had connections to Cold Spring Harbor Lab, a Pilgrims Society operation still very active today.

The Society's journal, Biodemography and Social Biology, addresses the biological, social, and cultural influences on human population makeup from interdisciplinary fields
including psychology, anthropology, genetics, and criminal justice. The Society of Social Biology has distanced itself from the AES. (They went undercover as to objectives).

The Pilgrims NYC 1920 shows---

Charles Otis (1872-1944) was owner and publisher of the Wall Street Journal; president of Dow Jones & Company; he published “American Banker” and “Bond Buyer.” We include him as another instance of Pilgrims Society publishing and media domination.

“Who’s Who in America” 1928-page 1602 shows--- (the names Sturges and Saltonstall are very meaningful; we must however pass on them for time besides that a Saltonstall was a judge at the Salem Witch Trials, and an earlier Saltonstall was Lord Mayor of London in the late 1590s) ---you’ll note his association with the horrible Roosevelt family (Pilgrims) ---named for the city of his ancestry, Fairfield was founded in 1639 AD ---
Osborn’s father in law was prominent; the Perrys were Episcopalians—General Perry——
By 1902 Osborn was involved with Crown loyalist & steel magnate Andrew Carnegie, who Appeared in The Pilgrims by 1907.

December 31, 1928 had the PREDATOR EUGENICIST on Time Magazine cover---
The National Institute of Social Sciences, still in Operation, is a 100% Pilgrims Society front---
All these organizations he listed he was a member of, and he felt it important to keep his membership in The Pilgrims in the dark. His son Alexander Perry Osborn appeared in The Pilgrims NYC 1940 along with his kid brother William Church Osborn, who married into the Phelps Dodge copper mining fortune ("Who's Who in America" 1940-page...

The Pilgrims NYC 1969---

Olin, John M.
O’Neal, Edward A.
Ormerod, Sir Berkeley, K.B.E.
Osborn, Fairfield

Olin was a chemical industry magnate in Olin Mathieson Chemical Corporation and a Squibb Pharma board member (“Who’s Who in America” 1970 page 1708); O’ Neal headed Monsanto and was a trustee of the Foreign Policy Association; Ormerod, Knight of the British Empire, was with British Information Services in New York during World War II (propaganda mill) and in 1957 accompanied Queen Elizabeth II and Prince Philip on USA tour. Ormerod married “a fabulously wealthy widow” from the aircraft industry. In 1985 Searle Pharmaceuticals merged into Monsanto; later Searle got sold to Pfizer. Heading Searle from 1977 to 1985 was Donald Rumsfeld, Pilgrims Society member as of the 1986 roster.
PFIZER A PILGRIMS SOCIETY
BIG PHARMA COLOSSUS!

Edmund T. Pratt—page 2530, “Who’s Who in America” 1976-1977 ---he was in The Pilgrims 1978---he worked at IBM under Pilgrims Society member Thomas J. Watson Senior; Watson’s sons Thomas and Arthur became members, and a son in law, John N. Irwin II---
He resided on Astor's Lane! Too much!
“These men collectively exert a planned influence of immense weight in utter secrecy.”
---E.C. Knuth, “Empire of The City” (1946)
The Pilgrims NYC 1978---Pratt was also a General Motors director---Pratt was chairman of Pfizer 1972 to 1992---his career started in 1949 at IBM under Pilgrims Society member Thomas J. Watson Senior---under Pratt, Pfizer extended its market like an aggressive metastasizing cancer into 140 countries---he was a Duke University trustee from 1977 to 1988 to which he gave $35 million and another $12 million to Long Island University---

Prince was grandson of a land, railroad and meatpacking baron who owned over one million acres (some of it valuable in the extreme) and controlled Union Stockyards
& Transit Company of Chicago; Armour & Company; Chicago Junction Railway; and Pere Marquette Railway. He was a member of the New York Stock Exchange and the New York Yacht Club. Frederick Prince left a son named Octavius, who presumably wants to be a Roman emperor. Preston headed J.P. Morgan & Company (top Pharma bank) and married Gladys Pulitzer of the Pulitzer newspaper chain (see why media disallow criticism of vaccines); he was a General Electric director. Preston’s other wife was Nancy Harris Biddle, of the Biddle family of the second United States Bank! After J.P. Morgan & Company Preston became World Bank (vaccines) president. Moderna vaccines about which we hear much hoopla has a JP Morgan figure on its board today. Preston’s grandfather was an exec in Rockefeller’s Standard Oil. Douglas Warner III (Pilgrims Society) said Preston was “the pre-eminent international banker of his era.” Fred Pratt appears to trace to a partner in Jay Cooke & Company, which played a major role in Union finance (over $600 million) during the Civil War.

Felix Rohatyn of Lazard Freres was a Pfizer director; on September 20, 1999, he delivered a speech to The Pilgrims London (“The Pilgrims of Great Britain,” short run book, 2002, page 205). Walter Bigelow Wriston, second generation member of The Pilgrims United States, chaired Citibank, 1970-1984. He also was a Pfizer board member and on other boards---General Electric; United Meridian
Corporation; ICOS Corporation; others; RAND Corporation trustee (1972-1983) ---another Pilgrims Society fanatic---

Predictably, even with incomplete intelligence on identities of Pilgrims Society members, we notice others involved leading Pfizer---

On 9 July 1982, Barry MacTaggart, then chairman and president of the pharmaceutical company Pfizer International, published an op-ed piece in the New York Times. This document represented a pivotal point in the shift of pharmaceutical intellectual property protection toward a global strategy.

Royal Hong Kong **Yacht** Club traces to 1849 and Inevitably featured opium dealers and their Linkage to Hong Kong & Shanghai Banking Corporation---
“We used to do opium now
We do vaccines!”

On May 24, 1982, MacTaggart addressed the U.S. House of Representatives---subcommittee on Trade---
STATEMENT OF BARRY MacTAGGART, CHAIRMAN AND PRESIDENT, PFIZER INTERNATIONAL

Mr. MacTAGGART. I am Barry MacTaggart, chairman and president of Pfizer International, a subsidiary of Pfizer, Inc. Pfizer is a research-based pharmaceutical company, with additional businesses in specialty chemicals, agriculture, materials science, and consumer products.

In 1981, Pfizer had worldwide sales of $3.2 billion. More than one-half of these sales were from foreign operations.

The Pilgrims NYC 2001--- MacGregor was with British Steel and Lazard International Finance---

MacGregor, Ian, Sir
MacTaggart, Barry

“Who’s Who In America” 1994 page 2180---

As of 2001, Pfizer United Kingdom had received six Queens Awards. The Royals are happy about the vaccine progress. The earliest Pilgrims list I have showing MacTaggart is the 1990 roster.

Two prospective Pilgrims currently on the Pfizer board are James Quincey chairman of Coca Cola and James C. Smith who is CEO of the Thomson Reuters News Organization. Smith is even more likely than Quincey to be a Pilgrims member as Smith also has linkage to the Atlantic Council, British-American Business and World Economic Forum. The Thomson Organization as it was known before the acquisition of Reuters, was founded by Lord Thomson of Fleet (Pilgrims 1969). The Mellons (Pilgrims) may also have a holding in Pfizer with J.J. Echevarria of the Bank of New York Mellon a director. Note that Pharma corporations need not have any identifiable Pilgrims Society member on their boards or as a top exec to be under firm Pilgrims Society control via finance institutions such as State Street Corporation of Boston; Bank of New York Mellon; JP Morgan Chase Bank; Citigroup; Morgan Stanley; Goldman Sachs; Bank America; Wells Fargo; HSBC Bank; Barclays; Royal Bank of Scotland; Scotia Bank; Canadian Imperial Bank of Commerce; Royal Bank of Canada; Northern Trust; Brown Brothers Harriman; and more secretive Pilgrims finance entities like so-called merchant banks like Brittany Capital at 666 Fifth Avenue. Then there’s the investment holdings of insurance giants as well. As noted previously, in 2000 Pfizer acquired
another Pilgrims Society Pharma cartel, Warner-Lambert, long headed by Pilgrims Society member Elmer Bobst, a “mentor” of Richard Nixon. Pfizer acquired Searle, another famous Pharma name; Searle was headed by Pilgrims Society member Donald Rumsfeld, who became Defense Secretary---

*Rue* was with little known but important Finance house Wellington & Company And was a functionary for the Stillmans (Pilgrims Society) who were big in The founding of what became Citigroup---

Another Pfizer board of directors member ferreted out of The Pilgrims NYC The Pilgrims NYC 1990---
Ed Lamont---current Governor of Pharma friendly Connecticut and a gun grabber, has three Pilgrims members in his paternal ancestry whose great grandfather was chairman of J.P. Morgan & Company, bank of major Pharma linkages. Ed’s wife Ann is a director of vaccine pusher Hospital Corporation of America which reported 249,000 employees presumably all of which received marching orders to inundate message boards screeching how vaccines must be imposed by government force. Lambert was Ambassador to Ecuador and is a top trust and estate attorney and worked under powerhouse Pilgrims Society member John Jay McCloy (Squibb Pharma).

“Who’s Who in America” 1994 page 1974---he Left out his Pilgrims USA membership and That he was a Pfizer board member---and a Trustee of the vaccine promoting Brookings Institution and a director of Rockefeller Financial Services---
At this link he mentions he was an adviser to the International Monetary Fund and other details including trustee of Notre Dame University (openly Catholic) and a Papal Knight of Malta but he kept his membership in the Royalist Pilgrims Society completely in the dark. Openly Catholic, secretly a member of the apex Royalist group, and the Royals have been in conflict with the Vatican for centuries. Lots of other examples. The Royals infiltrated the Papal sphere far more so than the other way around. Also connected to the vaccine pushing Duke University.

https://tglfoundation.com/toms-story/
Labrecque was also a Delphi director, a GM spinoff, which was the world’s largest auto parts supplier. You can see his board membership in Pfizer confirmed at Notable Names Data Base, which is inadequate in identifying many members of The Pilgrims, but remains a very useful research site https://www.nndb.com/people/554/000171041/. In 1996, in collaboration with Pilgrims Society member Walter Vincent Shipley chairman of Chemical Bank, Labrecque achieved an enormous merger with Chemical Bank, and later the merged megabank merged with J.P. Morgan & Company, resulting in the present JP Morgan Chase Bank colossus. Shipley was a Federal Reserve Bank of New York director and board member of Pharma interest, American Home Products, and knew William F. Laporte, head of AHP, a Pilgrims member from earlier years. AHP later merged into Wyeth Pharma. Labrecque---a Catholic who kept his Royalist sympathies in the DARK---
Sally Susman, executive vice president for corporate affairs of Pfizer, is the daughter of Pilgrims Society member Louis Susman of Citigroup Global Markets, profiled in Silver Squelchers #13 and is a director of WPP London, the world’s largest advertising agency, previously headed by Pilgrims Society member Philip Lader, profiled in the same presentation as Susman. Both Lader and Susman are former Ambassadors to England, which apparently, they do regard as their one true country and America as a “wayward colony!” Louis Susman served on the Democratic National Committee! Susman was the Obama appointment to be Ambassador to the United Kingdom 2009-2013. Republican President Reagan appointed Susman in 1988 to the National Advisory Commission on Public Diplomacy. Susman was a director of the D.C. based Center for National Policy. And what is
“national policy?” All Crown serfs MUST be vaccinated and chipped, by FORCE if necessary!

Pilgrim spawn Sally Susman is targeting You and your children for mandatory Vaccines and forcible chipping! We are animals in a kennel!

What does the Pfizer Political Action Committee do, besides BRIBE public officials nationwide---with other Pharma PAC’s---to condition the public mentality to accept lockdowns, business closures, stay at home orders and later on---mandatory implanted tracking and vaccine chips and multiple destabilizing vaccines? “Individuals in need” to Pfizer and the PILL-GRAMS hidden above it means
“using government power to coerce acceptance of dozens of vaccines and a chip implant for monitoring serfs” ---

The Pfizer Foundation Global Health Strategy

Improving Health Care Access for Individuals in Need

From 1991 to 2017, Pfizer paid out $4.7 billion in fines and penalties (and raked in far more than that) yet not one nickel went to anyone harmed by their vaccines

Pfizer has a rich history in vaccine research and development, playing a pivotal role

Link is to the Center for Responsive Politics and shows the Pfizer PAC contributed $973,513 to campaigns of Federal level political candidates. Less than one million dollars spread around to get 330 million USA residents captured as government coerced vaccine and chip implant TARGETS (and other Pharma PACs combined added more than this) ---this hardly tells the whole story; Pharma has three (3) Capitol Hill lobbyists for every member of Congress---

In March 2009, the Washington Times reported that the pharmaceutical industry, which has benefited from Hatch's legislative efforts, had previously unreported connections to Hatch. In 2007, five pharmaceutical companies and the industry's main trade association, Pharmaceutical Research and Manufacturers of America (PhRMA), donated $172,500 to the Utah Families Foundation—a “charitable” (?) foundation which Hatch helped start in the 1990s and has continued to support since. Walker, Martin & Hatch LLC was paid $120,000 by PhRMA in 2007 to lobby Congress on pending U.S. Food and Drug Administration legislation.” Hatch retired in 2019.

We sure could cover this same topic regarding other Pharma giants, but you get the idea. Our freedoms are being **BRIBED AWAY** by political campaign contributions from this chemical **“SORCERY”** faction! The origin definition of pharmacy has to do with sorcery! The actual lobby amounts are far greater than the above suggests; for instance, in 2017, assorted Pharma companies tossed $25 million at members of Congress to keep them, disgracefully “on the take” https://newrepublic.com/article/149438/big-pharma-captured-one-percent Be sure and read Part Two of **“PILGRIMS SOCIETY VACCINE NIGHTMARE”** to be released during June 2020! Much more info you won’t get
anywhere else! None of the below had a dime to do with vaccines! How many more billions would Pharma be giving up if Congress hadn’t illegally acted to protect vaccines in 1986? You “get it” why Bill Gates, Woody Johnson et al don’t want a pill or capsule for a virus???

The biggest ever pharmaceutical lawsuits

- Amgen – $762m.
- Bayer and Johnson & Johnson – $775m.
- TAP Pharmaceutical – $875m.
- Merck – $950m.
- Eli Lilly and Company – $1.4bn.
- Abbott Laboratories – $1.5bn.
- Johnson & Johnson – $2.2bn.
- Pfizer – $2.3bn.
